“A particularly interesting wine list”

The Michelin Guide 2015

PHILOSOPHY

The selection of wine on the following pages maintains the same element of care, selection and focus that all products at Park House attain.

We have tried to make our list as easy to use as possible. We have focused on finding wines that highlight varietal and regional expressions. Over the last year we have added many new wines and concentrated on building back vintages of new and existing listings.

Finding and then buying some of the worlds rarest and most prestigious wines can be intensely rewarding, however we employ a strict selection process to establish that the provenance of each bottle is of the highest quality. So therefore many wines are direct from vineyards cellars or from trusted sources that have the correct wine storing facilities.

Over the past 2 years I have visited wineries in Burgundy, Oregon, Santa Barbera, Napa Valley, Rioja, Piemonte, South Africa and toured Australia.

These trips have developed relationships with winemakers and further enhanced our winelist's depth. As a result watch out for upcoming 'meet the winemaker dinners' !

Due to our burgeoning list we have recently converted one of the 2nd floor rooms into a fully climate controlled and sealed wine cellar that now houses our collection in the correct conditions. It ensures that every wine now reaches you in perfect condition and also looks the part!

To ensure that our wines by the glass reach you in perfect condition we use three wine preservation systems called Enomatic, Le Verre du Vin and the industry changing Coravin.

We only use Riedel glassware which we believe is the best way to present our wines to you.

And finally every time you have the occasion to enjoy a glass of wine is an opportunity to experience something new; So I would encourage you to engage with our staff to maximise your enjoyment of this selection of wine. I hope you enjoy exploring this list as much as I enjoyed putting it together!

Riesling

2013 Lodge Hill Riesling, Jim Barry, Clare Valley, Australia £5 £8

Jim Barry purchased The Lodge Hill vineyard in the late 1970s with the knowledge that the site would produce Riesling of the utmost minerality and precision. Proof can be seen in the latest Lodge Hill Dry Riesling that shows bright aromas of pink grapefruit and lime citrus along with a steely palate of linear acid and supreme long length.

2010 The Contours Riesling, Pewsey Vale, Eden Valley, Australia £10 £14

Purity in a glass, Contours is a magnificent micro site Riesling that shows aromas and flavours of lime dominated citrus married with stonefruit characters that lend itself to some amazing food matches. This is world class wine and something you should try at least once!

2012 Riesling Spätlese, Wehlener Sonnenuhr, Dr Loosen, Mosel, Germany £11 £16

The Sonnenuhr vineyard is extremely steep and rocky producing some of the most elegant white wines in the world. This Spätlese (late picked) has enormous fruit aromas, a dense texture with a vibrant finish that echoes with long, pure glazed citrus flavours. Only 7.5% alcohol. Large glass then?

Chardonnay

2013 Old Vine Chardonnay, Chateau Martinolles, Limoux, France £5 £8

Intense as the sea, the mineral nature and complex aromas of this chardonnay recalls toasted almonds, dried fruit, and papaya blended with fine oak. Well-structured and elegant on the palate, with a deliciously long finish.

2013 Wild Ferment Chardonnay, Hill Smith Estate, Adelaide Hills, Australia £8 £11

A fantastic cool climate chardonnay with complex aromas of white peach, citrus zest and hints of roasted nuts. The palate is elegant with flavours of white fleshed nectarine and preserved lemon. Absolutely delicious and a world class example of Australian Chardonnay.

2012 Montagny 1er Cru Les Platieres, Dom. Berthenet, Burgundy, France £8 £12

This is a rich white Burgundy from the Côte Chalonnaise, just south of the famous Côte d'Or. With 20% barrel ageing, the wine is made in a modern style, to be fresh, mineral, with the touch of oak to add complexity without dominating the wine's flavours.

2014 'The Agnes' Chardonnay, Crystallum, Western Cape, South Africa £9 £13

The Finlayson brother are making some the finest Chardonnay and Pinot Noir in South Africa. This beauty has a perfumed nose, complex with tropical notes accompanied by lemongrass and floral tones. The palate is zesty with strong lemon and lime flavours coating a textured, fleshy core.

2010 Sonoma Coast Chardonnay, Flowers, Sonoma Coast, California £15 £21

Flowers is one of my favourite wineries in the world and there Chardonnays are heaven sent. This has delicate aromas of tangerine and coconut before opening up to green apples and pear. Stone-fruit flavours develop on the palate with the characteristic lemon backbone of the Sonoma Coast.

2014 Sauvignon Blanc 'Seaview Vineyard', Yealands, Marlborough, New Zealand £6 £8

Classic Kiwi SB. Delivers what we have come to expect - flavours of passionfruit and blackcurrant leaf with underlying notes of wet stone and thyme. The palate displays good weight and texture, with a focused mineral acidity which delivers fantastic length to the wine.

2014 Sauvignon Blanc, Neudorf, Nelson, New Zealand £7 £10

This superstar wine has a beautifully textured and rounded palate of guava, lemongrass and peach brightened by subtle toasty oak, leesy complexity and zingy acidity. Far removed from a stereotypical Kiwi Sauv Blanc

This classy wine comes from a domaine situated in the quality heartland of Alsace at Ribeauvillé, a village renowned for its rich and opulent dry white wines. Full bodied with a great zip & spice.

Vermentino

2014 Vermentino, Zanatta, Gallura, Sardinia, Italy £4 £6

Garganega

2010 La Rocca Soave, Pieropan, Veneto, Italy £10 £15

Pieropan make the best soave and La Rocca is there top cuvee. The grapes for La Rocca are picked late in the season and are therefore incredibly rich in flavour - they are then aged in oak for added complexity. One of our favourite wines of the last ten years - perfect with risotto or fish.

Gewurztraminer

2011 Gewurztraminer, Trimbach, Alsace, France £8 £11

Has the intense aromatics to go brilliantly with Asian food but also extremely good with powerful cheeses. The Alsations drink it with their brine-washed Munster, but it is equally at home with rich blue cheeses from Stilton to Roquefort.

£6 £9

This a wonderfully intense, exotic blend of 65% Sauvignon Gris, 25% Sauvignon Blanc and 10% Semillon. The wine's mineral, exotic nose is complemented by ripe citrus flavours. A real wonder!

Semillon

2009 Margaret Semillon, Peter Lehmann, Barossa Valley, Australia

£7 £10

Margaret is an enigma, one of the finest semillons in the country, pre-aged prior to release and sold for a fraction of its true worth. For such a wine to hail from the oldest semillon vines on the Barossa floor (some more than 80 years of age) is a paradox of the highest order. The 2009 glows with green tints, is lively and crunchy with impressive intensity and persistence of lemon fruit, evolving into preserved lemon, lemon butter and toast. Line and length are unwavering, supported by beautifully poised acidity. A world class wine at a bargain price.

Riesling/Gewurtztraminer/Sauvignon Blanc

2015 Stones Throw, Apostrophe, Great Southern, Australia

£5 £8

A really tasty take on the classic Alsace 'Field Blend' with a big whiff of musk & spice and some lovely fruit sweetness on the palate. Its a wine with strong aromas of citrus, passionfruit, mineral and rosewater. Layers of pear, nougat, Turkish delight and citrus all working together. The palate is soft and refined, finishing with a subtle but drying acidity.

Pinot Noir

2013 Pinot Noir, Yealands, Awatere Valley, Marlborough, New Zealand £7 £9

An adorable pinot, amazingly soft and rounded, with a creamy, milk-chocolate layer under fresh, ripe raspberries, a toasty-oak touch to the finish. One for duck, lamb or quail!

2012 Pinot Noir, Amayna, Leyda Valley, Chile £8 £11

This is a gorgeous Pinot Noir with that perfect blend of sweet and savoury that all top Pinot possesses. The influence of the sea and soil combined with slow ripening make for a deep red wine with a touch of violet and great aromatic complexity. The nose evokes ripe fruits with elegant notes of vanilla and spice from the well-integrated oak.

2010 Pommard 'Les Vignots' Domaine René Monnier, Burgundy, France £12 £17

Made from the crus of the Côte de Beaune - Elegant with a nose of violets, pepper and cassis and a fine, silky texture

2013 Bannockburn Pinot Noir, Felton Road, Central Otago, New Zealand £14 £19

Felton Road really is a fine winemaker and is the epitome of Central Otago winemaking. Organic, biodynamic, the estate is a slave to meticulous winemaking and the quality of the wines is stratospheric. This is its regular bottling and what a wine, with lush, dark cherry and mysterious foresty aromas. It's very ripe and rich and the palate has intensity and drive, with fresh acidity keeping it all singing

2013 Pinot Noir Gippsland, William Downie, Gippsland, Australia £18 £26

William Downie is young Australian Pinot Noir royalty. Learning his trade in the vineyards of Burgundy, Bill came back to Australia and set up his own label in Victoria's east, specifically in Gippsland. His wines are extremely limited in nature and this 2013 is wonderfully balanced with blackcurrant, blackberry and hints of clove and nutmeg. Beautifully dense and concentrated on the palate, lifted violets and florals shine through along with the inextricably long finish.

Shiraz

2013 Patchwork Shiraz, Yalumba, Barossa Valley, Australia £6 £8

The monumental 2013 vintage in the Barossa has produced a deeply coloured, brooding Shiraz showing chocolate and dark plum notes. Layers of flavour with a silky mouthfeel - bloody lovely!

2011 Mcrae Wood Shiraz, Jim Barry, Clare Valley, Australia £11 £15

The McRae Wood shiraz has always been a bit of a 'value' wine in the upper echelon of Jim Barry offerings. They have always been big, rich wines, and this one is no different. It is certainly in the Bruce Willis in 'Die Hard' vein, with its ripe scents of fleshy black berries and cherries, dark plums, licorice and mocha. Then the palate charges in with sweetly fruited flavours of red and black berries, fine, talciness, and a sumptuous, spiced, lip-smacking finish that will warm the cockles of your heart.

2005 'Douzieme' Syrah Viognier, Aubai Mema, Languedoc, France £6 £9

Is a Syrah/Viognier blend and is a rich, silky, spicy, perfumed wine. The Syrah component is 80% of the blend and gives the wine the body and the Viognier, which is vat fermented gives the aromatics. The final blend was then matured for 8 months in French Oak. It is the wineries homage to the great wines of Cote Rotie.

Lovely texture on the palate: ripe, unashamedly New World fruit married to crisp acidity and defined but gentle tannin. Rich and rounded, yet with beautiful freshness and sense of minerality. Take your time to sip it, because it gets even better: progressively more silky, with notes of liquorice and violets.

2010 'The Cigar' Cabernet Sauvignon, Yalumba, Coonawarra, Australia £7 £10

A crimson red with an aroma that fills the senses and immediately identifies it as Coonawarra Cabernet! The wine is bright with fresh red fruits such as cherries and currants sweeping the palate followed by the melted chocolate texture of the soft tannins.

Grenache

2013 Cannonau di Sardegna (Grenache), Zanatta, Gallura, Sardinia, Italy £4 £6

Cannonau is the Sardinian name for Grenache. This terrific example has foresty, earthy aromas, with hints of violets. On the palate are blackberry and herbs, and it has a nice long finish. Some believe that the Grenache grape originated in Sardinia and was taken back to Spain by the Aragonese, who occupied the island in the 14th Century where it then spread far and wide.

2008 Tri Centenary Grenache, Yalumba, Barossa Valley £8 £12

This smells of Grenache - juicy cherries and raspberry! Tastes of Grenache - loose knit grainy tannins, some savouries and a delicious dryness; the fruit is seductive and tasty. Dangerous sort of wine. You could belt a bottle in no time at all. Enjoy!

Iconic and Rare Wines By the Glass

Thanks to the latest technology by Coravin, we are proudly offering rare and unique wines from our cellar by the glass—in perfect condition—without ever pulling the cork.

The Coravin System allows wine to be poured by the glass without uncorking the bottle by inserting a hollow needle through the foil and cork, pressurizing the bottle with inert argon gas (to prevent oxidization), and serving the desired amount. When the needle is removed, the cork reseals itself. The remaining wine never comes in contact with oxygen, and continues to evolve naturally, as if it were never opened.

Sparkling Wine

England

Ridgeview, Sussex

It's worth remembering, during the current surge in interest in English wine, that it wasn't always like this. When Mike and Chris Roberts set up Ridgeview in 1994, they were even advised (by a prominent expert who will remain nameless) that they 'couldn't grow' Chardonnay in England.

Thankfully, they took no notice and established a vineyard of all three classic Champagne varieties – Pinot Noir, Pinot Meunier and, yes, Chardonnay – at the foot of the South Downs in Sussex (the boundaries of the South Downs National Park have since been helpfully tweaked to include the Ridgeview estate).

So successful has Ridgeview become since those beginnings that it's now seen (and served) at all the best parties – HM The Queen's 80th, the Diamond Jubilee and President Obama's visit to Buckingham Palace, to name but three. Why? Simply because these are excellent quality sparkling wines, with their own unique style.

CHAMPAGNE
**CHARLES
HEIDSIECK**

Maison fondée à Reims en 1851

Charles Heidsieck, Reims

Charles Heidsieck is one of the most admired Champagne houses thanks to the unrivalled and consistently high quality of its wines.

The current range is one of the most awarded collections of wines in the world. The intricacies of the champagnes' complex make-up have been perfected over the years by one of the most celebrated winemaking teams in Champagne – between three winemakers they have been awarded 'Sparkling Winemaker of the Year' at the International Wine Challenge fifteen times. This winemaking legacy, paired with the house's flamboyant history since its foundation in 1851 by the man who would become known as 'Champagne Charlie', makes it a unique offering from Champagne: a house with great, hand-crafted wines, heritage and proven quality.

The palest of rosés made with the addition of 7% red wine from the great villages of Ambonnay and Bouzy lending a delicate copper tint. The nose is rich with yeast and brioche notes; red fruits (fresh strawberry and raspberry) not evident at first, increase with time in the glass. There is a similar profile on the palate with almost chalk/mineral and citrus notes and red fruits again increasing over time. A very elegant, subtle rosé, drinking beautifully now, but which I suspect will gain further weight over the next year or so.

1999 Rosé Millésime

Taittinger, Reims

Champagne Taittinger is one of the few remaining family owned and operated Champagne houses. The firm is distinguished for its extensive vineyard holdings of 752 acres, including prestigious Grand Cru vineyards in the Côte des Blancs and Montagne de Reims regions. Unlike most large houses, Champagne Taittinger relies primarily on estate grapes for its portfolio of Champagnes. Also unique are the higher proportion of Chardonnay in its wines that gives Taittinger its signature style, and the time devoted to aging the wines before release—most often greatly exceeding the legal requirement, in a practice that also has become a Taittinger hallmark.

Blanc

NV Taittinger Brut Reserve £65

NV Taittinger Prelude Grands Cru £85

Ruinart, Reims

“In the name of God and the Holy Virgin shall this book be opened...”

It was with these words, written by Nicolas Ruinart on 1 September 1729, that the House of Ruinart was officially established. This makes it the oldest Champagne house of them all.

The House of Ruinart traces its history back to the very origins of Champagne. At the beginning of the 18th century Dom Thierry Ruinart helped to discover the secret of “the wine that sparkles”. Dom Ruinart confided his knowledge to his nephew, Nicholas Ruinart.

A true entrepreneur, Nicolas Ruinart fulfilled the ambition of his uncle to make Ruinart the premier champagne house, today the house of Ruinart is rated in the top handful of all Champagne Houses. We are delighted that over the years we have been able to source many old vintages, many in magnums direct from Ruinarts cellars. Enjoy!

Louis Roederer, Reims

The first bottle of champagne I ever bought with my own money was Louis Roederer Brut Premier from an Oddbins in Plymouth. It was for New Years Eve and I remember standing on my Aunt and Uncle's balcony overlooking the River Fowey watching the fireworks with the bottle in one hand and a glass in the other! Memories and Champagne go hand in hand and to this day Louis Roederer is my default Champagne of choice!

Established in 1776 (same year as the United States of America was founded!) it has been at the forefront of the Champagne market for centuries indeed in 1872 they made 2.5 million bottles.

"Carte Blanche offers intense floral tones (honey) and notes of ripe sweet fruits (caramelised apple), and warm sugar almonds (frangipane). Dosage adds a rich, creamy texture with great length but without being heavy. The freshness of the wine supports this length bringing a well-balanced and highly persistent wine." Jean-Baptiste Lécaillon, Louis Roederer Cellar Master.

The jewel of the House of Louis Roederer is Cristal, created in 1876 for Tsar Alexander II. This is champagne at its finest, as inspired today as it has always been, the embodiment of elegance and purity. Only Pinot Noir and Chardonnay grapes from the House's 10 most celebrated crus are used in the production of this legendary cuvee. We are delighted to offer numerous and rare back vintages.

Veuve Clicquot, Reims

Veuve Clicquot is synonymous with champagne and its origins can be traced back to 1772. Veuve Clicquot as a champagne house really came to prominence when veuve (widow) Clicquot took control after the early death of her husband. She was an extraordinary business woman as well as an innovator. She broke into the Russian market in the midst of the Napoleonic wars and invented the technique of remuage which was universally adopted and is still used today in production of all sparkling wines. Today there are 382 hectares of vineyards under Veuve Clicquot control producing upwards of 25 million bottles! Whilst being a high volume producer the quality is still excellent, none more so than the Yellow Label which year after year is a great champagne.

Krug, Reims

Krug needs no introduction, they only produce prestige Champagnes and all are the product of a family tradition spanning centuries and legendary blending skill. Starting in 1843 Krug has been blended by a Krug family member every single year since! In making Champagne, time is a key element, and Krug has plenty of it. All of Krug's Champagnes are aged for at least six year in cellars far below the French city of Reims. Grapes are hand-picked and pressed; the product is then placed in 205-litre small oak casks. Krug is the only premier champagne house that still ferments all of its wines in oak, which gives its offerings a unique and complex taste.

Dom Pérignon, Épernay

Dom Pérignon is the brand of vintage Champagne produced by the Champagne house Moët & Chandon, and serves as that house's prestige champagne.

Dom Pérignon was a 16th century monk and cellar master at the Benedictine abbey in Hautvillers. He was the first to blend grapes in such a way as to improve the quality of wines and deal with a number of their imperfections. He also introduced corks, which were fastened to bottles with hemp string soaked in oil in order to keep the wines fresh and sparkling. He also introduced the use of thicker glass in order to strengthen the bottles which were prone to explode at that time.

The first vintage of Dom Pérignon was made in 1921 and was only released for sale in 1936. The first buyers of Dom Pérignon vintage 1921 were 150 customers of the then UK importer of Moët, Simon Bros & Co, who ordered the first 300 bottles. The wine got immediate attention in the marketplace and 100 boxes were shipped to the United States shortly thereafter and so the legend began.

Dom Pérignon is today overseen by Richard Geoffroy who since 1990 has been creator and Chef de Cave. Richard is a passionately committed to an aging program until recently called Oenothèque but now renamed P2 which is short for Second Plenitude and as he puts it, "Dom Pérignon P2 is the ultimate expression of a wine whose style defies time." We are delighted to offer several of these stunning wines.

Widowed in 1858 at the age of 39, just like her illustrious predecessor Clicquot, Veuve Louise Pommery did not inherit an established Champagne House, yet she also somehow mustered the audacity to challenge the traditional notions of Champagne and, over the next three decades, grow her modest company into one of the most powerful and physically impressive Houses in Champagne.

Australia

White Wine

Chardonnay

shar -don-ay

Australian Chardonnay has been for many years world class and the overblown, over oaked examples we all remember a distant memory. So what makes it so good now? Quite simply: Refinement. The trend of the last decade by so many smart Australian Chardonnay producers is they've toned the oak down, picked the fruit earlier, and used wild fermentation cleverly all in the name of making a more complex, less overt and less OTT style of wine that plays more on classy Chardonnay fruit than on winemaking trickery. Result = World Class Chardonnay.

| 2013 | Chardonnay, Vasse Felix | Margaret River | £45 |
| This is the 1st vintage of this wine and represents the end product of a vine planting program started a decade ago. A pure, elegant and vibrant style of Chardonnay, embracing the region's powerful fruit complexity. Basically its bloody delicious - great fruit, whole bunch pressed then French oaked. Whats not to like? | | | |
| 2009 | Reserve Chardonnay, Evoi | Margaret River | £54 |
| "Retains elegance, precision and length, the white peach and grapefruit flavours complexed by nutty/creamy notes ex-barrel fermentation; has great length." 96/100 points James Halliday. | | | |

| 2012 | Chardonnay, Larry Cherubino | Margaret River | £75 |
| 2011 | Chardonnay, Larry Cherubino | Margaret River | £79 |
| Cherubino is a bit of a rock star winemaker. The awards are too many to list but what you need to know is that this is his flagship white wine and in our opinion one of the best chardonnays of this style in Australia. Expect aromas of flint, hints of roasted nuts and nougat with underlying lemon rind and citrus blossom. Flavours of nougat with lemon rind and oak derived spices of cinnamon. The acid is long and soft. | | | |
| 2013 | Chardonnay, L.A.S Vino | Margaret River | £79 |
| At a recent tasting in London I wasn't looking for another expensive Margaret River Chardonnay but this literally blew me and Roger (Harrow at Little Bedwyn) away. Think butterscotch, vanilla, citrus, a splash of creaminess, think delicious, think I want more, more, give me more!!! Only TEN barrels made. Oh and the bottle is seriously sexy! Actually scrap that - its not for sale - its mine. Seriously its mine. | | | |

2004 M3 Chardonnay, Shaw and Smith **Adelaide Hills** **£89**

A favourite since a visit in 2003. Sourced and grown in the Adelaide Hills, this is a fine example of how good Chardonnay from this region can be. This is a blend of 3 different cultivars of the Chardonnay grape. Bunch pressed and in part wild fermented. Partial malolactic fermentation imparts further complexity. A beautifully textured and complex wine.

2010 Taken Brave Chardonnay, Some Young Punks **Adelaide Hills** **£59**

Just 377 cases of this single vineyard Chardonnay were produced...one not to be missed! Tight, bright Adelaide Hills classic restraint. This is all about length and breadth rather than fruit attack.

2009 Chardonnay, Grosset **Adelaide Hills** **£85**

The Grosset Piccadilly Chardonnay has a youthful exuberance, with tangy white peach and nectarine flavours, vibrant, juicy fleshy texture and zingy acidity. There's an excellent integration of oak and fruit at a young age, a lovely richness and concentration with plenty of weight and a lively raciness that binds it all together. More enticing at a young age than previous vintages, it has complex mineral notes, some slaty characters, and a tight leanness which suggests that it will age well.

1996 Chardonnay, Grosset **Adelaide Hills** **£95**

2012 Reserve Bin A Chardonnay, Penfolds **Adelaide Hills** **£125**

A legend in wine circles and for very good reason. All fruit is hand-picked into small bins and then whole bunch pressed. The juice is incrementally filled to barrique directly from the press, and allowed to undergo a natural fermentation. Every barrique is its own unique 225 litre ferment. Enhanced mouth feel and complexities are achieved by fermenting on solids, using a selective mix of new and aged French oak. The wine undergoes 100% malolactic fermentation.

2011 Yattarna Chardonnay Bin 144, Penfolds **Tasmania/Adelaide Hills** **£165**

The 'White Grange' Selectively sourcing only the very best Chardonnay fruit from cool-climate regions, coupled with sensitive and enlightened winemaking, the style continues to evolve. Yattarna reflects Penfolds patience and continued commitment to its original goal, its very name being drawn from the Aboriginal language, meaning 'little by little, gradually.' Each vintage provides the opportunity to further raise the quality bar and this the best example yet. Needs decanting to fully open up.

Eden Valley, South Australia

2009 Wild Ferment Chardonnay, Yalumba **Eden Valley** **£32**

2009 Reserve Chardonnay, Heggies Vineyard **Eden Valley** **£65**
The Heggies Vineyard Reserve Chardonnay is fabulously Burgundian; there is layer upon layer aromas of warm ripe stonefruit, macadamia nuts, honeycomb and nougat given counterpoint by the flinty “struck match” of wild ferment infused with a lime citrus top note. The palate opens with a full fruit attack showing white peach and nectarine fruit layered with creamy yoghurt held by a slaty minerality giving fullness; the wine finishes both lingering and textured.

McLaren Vale, South Australia

This is seriously good chardonnay from one of the Morningtons finest producers. A bit of age has seen this develop gorgeous creamy and nutty complexities on the nose and a deep rich palate that gets better the longer you (try) and leave it in the glass. Perfect example of high altitude, cool climate chardonnay.

2010 Chardonnay, Dexter **Mornington Peninsula** **£69**

Dexter Mornington Peninsula Chardonnay 2010 is an elegant yet full-bodied Chardonnay, comparable to a top village Burgundy in both style and quality. Hand picked fruit is gently whole bunch pressed and aged in French oak barriques (20% new). The wine shows intense flavours of lemon, peach and spiced nectarine, with a classy minerality and a long finish.

2011 Chardonnay, Ocean Eight **Mornington Peninsula** **£59**

Ocean Eight is a family-owned and run by the Aylward family. Chris and Gail Aylward first made wine on the Mornington Peninsula in 1997 when they established the iconic Kooyong Estate. Having sold Kooyong in 2004 they setup Ocean Eight on the southern and more cooler side of the Mornington Peninsula. Made by their son Mike Aylward the 2011 Chardonnay lives up to their reputation - macadamia-nut aromas with some clove spices resulting from the barrel fermentation. The fruit is very much in the lime and grapefruit spectrum. The finish is the highlight with a racy acid and mineral mouth-feel up the centre of the palate.

2008	Margaret Semillon, Peter Lehmann	Barossa Valley	£42
2006	Margaret Semillon, Peter Lehmann	Barossa Valley	£49

Margaret is an enigma, one of the finest semillons in the country, pre-aged prior to release and sold for a fraction of its true worth. For such a wine to hail from the oldest semillon vines on the Barossa floor (some more than 80 years of age) is a paradox of the highest order. The above vintages at seven, eight and ten years old still glow with green tints, are lively and crunchy with impressive intensity and persistence of lively lemon fruit, evolving into preserved lemon, lemon butter and toast. Line and length are unwavering, supported by beautifully poised acidity that will sustain them all for a very long time yet.

Clare Valley, South Australia

2004	Semillon, Mount Horrocks	Clare Valley	£75
------	--------------------------	--------------	-----

Again immediately showing wonderful secondary complexities with scents of bees wax, dry grasses, wallflower – like a hay barn on a hot summers day – building in richness with a alluring melange of cone honey, apple Tarte Tatin (like upside down apple cake or toffee apple), deeper nuances of Seville orange-rind-marmalade, candied lemon peel, almond short crust, with an extra-complexity of smoky pork fat which I find most attractive. Sublime palate texture, really notice the harmony and seamless, even texture in this wine, glides across the mouth yet bursting with stone fruit and citrus succulence, indeed gushing with a melange of citrus – marmalade flavours, Seville orange – delightful and generous wine, totally giving and incredibly powerful yet with a sense balance and total harmony. Stand-out wine!

2002	Semillon, Mount Horrocks	Clare Valley	£75
------	--------------------------	--------------	-----

Tones of peach and apricot amongst honeyed, buttery, oily richness, bakery-pastry scents, has that reoccurring vanilla custard, nougat, roasted almond, bees wax complexity, a wonderful perfume in perfect harmony with the ever-present citrus background. Rich, toasty, vanilla custard and roasted almond nutty flavours, gorgeously textural, creamy-smooth palate, totally integrated and drinking superbly, still has vibrancy and tangy lemon zest with persistent carry and acidity; plenty of life ahead of it, another stunning wine.

Eden Valley, South Australia

2014	Louis Semillon, Henschke	Eden Valley	£49
------	--------------------------	-------------	-----

The crisp, fresh nose exhibits sweet, lifted, honeydew aromas with citrus blossom, nectarine, lanolin and some grassy hints. The palate is well structured with ripe citrus and nectarine flavours.

Hunter Valley, New South Wales

- 2012 Semillon, Brokenwood** **Hunter Valley** **£38**
Brokenwood Wines Hunter Valley Semillon 2012 is one of Matthew Jukes' 100 Best Australian Wines 2013/14 "Brokenwood is back with an even finer wine than last year's 2011. Ditch any Sauvignon Blanc that you have your eye on for lunch and put this wine in your glass. You will not look back. The rapacious acidity is neatly counterpointed with the most angelic of lemon blossom fruit and you are left in a magical state of satisfaction and glee. I am certain that Hunter Semillon adds ten points to your IQ and makes you more attractive, too - so what's holding you back? While we're at it, 2007 ILR Semillon, named after the great Riggsy himself, and the 2006 Maxwell Vineyard Semillon are two versions of this variety with doctorates in joy and abandon. "
- 2006 Maxwell Vineyard Semillon, Brokenwood** **Hunter Valley** **£69**
Brokenwood Maxwell Vineyard Semillon 2006 was an exceptional vintage for this Australian white wine from the Hunter Valley and James Halliday gives it a score of 95 points in his Australian Wine Companion 2014, this is a wine worth keeping for a special occasion in the future and he thinks so too: "Has an extra tang and cut to the citrus fruit at its core, encircled by some of the spice and toast characters
- 2003 Semillon, Brokenwood** **Hunter Valley** **£65**
This was the first vintage bottled under screwcap and at a recent vertical tasting in Australia the following was noted: Tight and pithy with lemon pip freshness and bite to the nose. In the mouth, it's surprisingly rich and waxy with a honeyed mouthfeel, ripe citrus, lemon and lime curd as well as lanolin and white porcini on the finish. Lovely complexity and balance. Long and lingering.
- 2002 Semillon, Brokenwood** **Hunter Valley** **Magnum** **£120**
Delicious aged Semillon in magnum format. Plenty of honeyed flavours and still very fresh. Huge complexity and length. Ideal for that special occasion.
- 2007 ILR Semillon 'aged reserve', Brokenwood** **Hunter Valley** **£75**
A brilliant example of the classic Hunter Valley Style. Glorious toast and almond bread characters with flavours of honey and a nutty finish.
SEMILLON OF THE YEAR - Best of the Best Semillon - 98pts, James Halliday Wine Companion 2014
- 1998 ILR Semillon 'aged reserve', Brokenwood** **Hunter Valley** **£95**
Brokenwood ILR Reserve Semillon is a brilliant example of the classic Hunter Valley Style. Glorious toast and almond bread characters with flavours of honey and a nutty finish. It's round, full and approachable with soft acid (relatively speaking) and super length. Mouth-filling. Lovely wine. Drinking beautifully now, but no hurry.
- 2008 Vat 1 Semillon, Tyrrell's** **Hunter Valley** **£120**

Sauvignon Blanc & Semillon

sav-in-yon blonk & semee-on

Margaret River, Western Australia

2010 Embers Sauvignon Blanc/Semillon, Flametree Margaret River £31

A blend of 50% Semillon, 40% Sauvignon Blanc and 10% Chardonnay. Pale straw colour with watery hue. The nose displays herbaceous grassy top notes followed by passionfruit and citrus. The palate delivers grassy asparagus flavours followed by some gooseberry, citrus and light capsicum. Clean crisp finish.

2011 Semillon / Sauvignon Blanc, Ad Hoc Margaret River £31

A rather pale wine, a very fresh cut-grass and the dried straw comes through on the nose. With ripe guava and other tropical asian herbs mix well with citrus and the fruity, succulent palate. Great acidity, minerality and an aroma of fresh peas provides complexity and power to the wine. Approachable and drinkable, balanced by a soft textural mouth-feel. This wine shows great fruit intensity, persistence and length of flavour

2013 Sauvignon Blanc/Semillon, Vasse Felix Margaret River £35

2010 Semillon/Sauvignon Blanc, The Yard Margaret River £39

This wine has aromas and flavours in the savoury spectrum. Straw, citrus and freshly picked peas with underlying gentle grassiness. There is a textural component to the wine which is in part due to the partial oak fermentation which softens the intensity on the palate and also adds an extra layer of complexity.

2010 Semillon/Sauvignon Blanc, Flametree Margaret River £41

Pale straw colour with a green hue. Lemon blossom, stone fruit and herbs are the dominant fruit flavours in this years wine. The palate is enhanced with a touch of spicy barrel ferment. Fine, long and crisp it also shows citrus, nectarine and gooseberry flavours. Extended lees contact has given the wine some added texture and a long finish. Fine fruit flavours and fresh acidity are the hallmark of this vintage. 94/100 Points James Halliday

2010 Sauvignon Blanc/Semillon, Amelia Park Margaret River £44

This wine expresses very clean fresh and crisp characters. Aromas of passionfruit and pear and a lively crisp palate of lime and green apples are the marks of this classic Margaret River blend.

1991 Sauvignon Blanc/Semillon, Amberley Margaret River £95

A piece of wine history - you think its going to be far gone but when tried recently it had plenty of life. The semillon gives it (still) richness and the Sauvignon has kept it relatively fresh. Just shows how this blend can age - must be the semillon!

1996 Reserve Sauvignon Blanc/Semillon, Cullen Margaret River £95

Stunning aged example - rich mellow buttery flavours, with long finish.

2013 Sauvignon Blanc Semillon, Cape Mentelle Western Austalia £65

2011 Sauvignon Blanc Semillon, Cape Mentelle Western Austalia £85

One of the best Sauvignon Blanc Semillon of recent years. A fresh, lively expression of this regional style with texture and balance. Its fragrant aromas of gooseberries, passionfruit and tropical fruits overlie nuances of cut grass. Underpinned by a fine chalkiness, its pure, juicy palate has length, richness and a streamlined shape culminating in a fresh, focused and faintly mineral finish. Highly rated by James Halliday - 95points

Complex oak derived spices with underlying nettle, currant leaf and wet stone characters. The wine has a soft, gentle texture with fine persistent acidity which carries the flavours along the palate. The finish is dominated by nettle and currant leaf flavours. 94 Points James Halliday 2012

Adelaide Hills, South Australia

2013 Woodside Sauvignon Blanc, Teusner Adelaide Hills £35

2014 Sauvignon Blanc, Shaw & Smith Adelaide Hills £36
The 2014 Sauvignon Blanc is Shaw & Smiths 25th vintage and considered a benchmark for the style. A very inviting aromatic nose, with notes of fresh tropical fruits, guava, a hint of lime and a classic grassy aroma. This Sauvignon has a stunningly vibrant palate, with a breadth of flavour, encompassing more citrus notes with minerals and herbs. Very fresh, crisp and balanced acidity. Easy the best Australian Sauvignon we've tasted in recent years.

Pinot Gris

pee-no gree

2013 Charlottes Web Pinot Grigio , Fox Gordon **Adelaide Hills** **£35**

2007 Kayena Vineyard Pinot Gris, Tamar Ridge **Tasmania** **£38**

This shows fragrant aromas of honey, lanolin and cashew. The palate is richly flavoured yet elegant with crisp minerally acidity. A great Australian example of this intriguing variety.

2013 Beurrot Pinot Gris, Kooyong **Mornington Peninsula** **£48**

If you ever have the chance to taste a white Burgundy made from Pinot Beurrot (not very likely, as they're extremely rare), it will have been made from the Pinot Gris grape. Sandro Mosele's Pinot Gris is named after this endangered species, and is very similar in style. Initial aroma of jasmine flowers, flint and a hint of sesame oil, which opens up to beautifully ripe apricot, yellow plum and understated oak nuances. In the mouth, delicate honeysuckle and white peach flavours, and plump texture, balanced by fresh acidity. Great persistence of flavour.

Viognier

vee-on-yeah

2013 Eden Viognier , Yalumba **Eden Valley** **£38**

"This is one of the most intelligent, evocative, affordable and rewarding viogniers in the world. Drink it with a vast array of white meat, fish and veggie dishes and you will see it romances every dish with its style and panache."

Matthew Jukes

2002 Viognier, Clonakilla **Canberra District** **£65**

Wonder is a cruel mistress - think aged Condrieuenjoy

2008 The Virgilius Viognier, Yalumba **Eden Valley** **£69**

2009 The Virgilius Viognier, Yalumba **Eden Valley** **£79**

2005 The Virgilius Viognier, Yalumba **Eden Valley** **£89**

Yalumba, the pioneer of Viognier in Australia, has devoted 20 years to the growing and making of this rare and exotic Rhone variety. On the nose the aroma is always intense with white peaches, apricots and ginger. The palate is lifted with ginger spice, layered mineral texture and complex apricots along with white stone fruit flavours. The trademark Viognier lusciousness of the palate is clearly evident in vintages of this wine which is unctuous and complex.

2010 Viognier, Gherardi **Margaret River** **£60**

The 2010 fruit was allowed to reach maximum ripeness in the vineyard in order to capture the aromatics of the Viognier grape. Oak barreling over 6 months has resulted in a creamy wine with a rounded palate, that is full and lingering with true Viognier flavours.

Gewurztraminer

ger-vertz-tramina

2013 Hand Picked Gewurztraminer, Skillogee Clare Valley £36

“A wine that is the vinous equivalent of an aromatherapy session and deep tissue massage to unwrinkle your brow and soothe your tense muscles and tired taste buds. ‘Skilly Gewurz’ is a wonder to behold. I have seen massive men reduced to tears by the aromatic purity and magical complexity of its demure offering. On the palate this wine speed-skates across your taste buds scattering pot pourri and crystallised ginger notes asunder. It is bone dry and lithe and quite unlike any Gewurz before it. Drink this slinky pixy with Asian-influenced cuisine.” Matthew Jukes, Moneyweek

Marsanne / Rousanne Blends

mar-san / roo-san

2012 Rousanne, Yalumba Eden Valley £36

This wine has aromas of wild pawpaw, white fleshed peach, vanilla custard, cumquat and hints of tea rose. The palate is silky yet defined, with stone fruit layered over fresh grapefruit acidity and a fine powdery texture.

2011 ‘The Hermit Crab’ Marsanne/Viognier, D’Arenberg McLaren Vale £32

2008 ‘The Hermit Crab’ Marsanne/Viognier, D’Arenberg McLaren Vale £38

The Viognier throws the first punch in this wonderfully aromatic wine with its heavenly lift of candied ginger and crunchy, yet sweet white nectarine. A deeper look unveils the more complex Marsanne notes of green papaya and pistachio. An abundance of stone fruits hold sway over the sumptuous attack and mid palate. The finish is surprisingly savoury. The Marsanne’s nuttiness is quite persistent and coupled with a delicate hint of sea spray.

2009 ‘The Money Spider’ Rousanne, D’Arenberg McLaren Vale £34

A delicious refined Pinot, with lovely cherry, red fruit aromas and a soft, velvety palate vibrant acidity.

Adelaide Hills, South Australia

2004 Pinot Noir, Grosset Adelaide Hills £80

“This is a very impressive pinot. Good depth of colour; lovely bouquet of black cherry, backed up by classy oak. It’s nicely concentrated with lots of flesh, fruit-sweetness and extract. The tannins are supple and almost chewy. A pinot of real power and density, the flavour persisting in the mouth for a long time after swallowing. Absolutely yummy”

Ralph Kyte-Powell & Huon Hooke, Rating: 96 points

Coonawarra, South Australia

2008 Pinot Noir, Hollick Coonawarra £49

This is a rare beast, a Coonawarra Pinot Noir - indeed Hollick are 1 of only 2 producers of this the most ethereal of grapes. Amd what a Pinot it is - just bursting with pure red fruit aromas that carry through to the palate with a good acidity and a long finish. Very much a New World style of Pinot, full fruited and generous.

Gippsland, Victoria

2014 Pinot Noir Gippsland, William Downie Gippsland £99

2013 Pinot Noir Gippsland, William Downie Gippsland £99

William Downie is young Australian Pinot Noir royalty. Learning his trade in the vineyards of Burgundy, Bill came back to Australia and set up his own label in Victoria’s east, specifically in Gippsland. His wines are extremely limited in nature and this 2013 is wonderfully balanced with blackcurrant, blackberry and hints of clove and nutmeg. Beautifully dense and concentrated on the palate, lifted violets and florals shine through along with the inextricably long finish.

Deep red colour with a nose that is rich with summer berries. The palate starts with red cherry, moves through some blackberry and a little fennel. The finish is long and supple, held together with finely balanced oak and finishing acid.

2010 Pinot Noir, Dexter Mornington Peninsula £78

Tod Dexter was born into the world of wine and with Brian Stonier helped put Australian Chardonnay and Pinot Noir on the map. This is his own label and is a delicious new world Pinot made in a ripe burgundian style. Aged in French oak bariques (25% new), the wine shows aromas of black berries and red berry fruits with underlying nuances of earth, spices and subtle oak. On the palate, soft ripe fruit and fine tannins progress into a lingering finish.

2008 Pinot Noir, Ocean Eight Mornington Peninsula £78

A fantastic producer and regular on our by the glass selection. The 2008 Pinot is a stunner - great complexity of fruit flavours red cherries, plums, mulberries and a hint of violets. There are also some beautiful earthy overtones that can be put down to the vineyard soil profile. The most elegant feature of this wine is the silky texture before a lingering finish

2008 The Aylward Reserve Pinot Noir, Ocean Eight Mornington Peninsula £108

This is worldclass incredible Pinot Noir. Ocean Eight winemaker Mike Aylward has used all the winemaking skill he picked up in France to turn out a single site Pinot that is incredibly detailed. It's lifted in floral and violet aromas along with some cinnamon spice. The palate is perfectly poised with forest floor and supple tannins with just the slightest influence of oak.

Paringa Estate

Paringa Estate was founded in 1984 by Lindsay McCall when he purchased a derelict orchard in 1984 on Paringa Road, Red Hill South. Lindsay continued his day job of teaching while he set about planting the first vines in 1985 - the first vintage was in 1988 and was just a mere 3 tonnes. In 1996, Lindsay gave up teaching to focus entirely on Paringa Estate and making great wines. Twenty-five years on the production is now 200 tonnes and Paringa Estate is one of the most highly awarded wineries in Australia regularly winning gold trophies for their Shiraz, Pinot Noirs and Chardonnay.

“One of the best, if not the best, wineries on the Peninsula” James Halliday who awarded Paringa Estate “Australian Winery of the Year” in 2007.

2012 Peninsula Pinot Noir, Paringa Estate **Mornington Peninsula** **£55**

It's simply gorgeous Pinot with that perfect blend of sweet and savoury that all top Pinot possesses. Made in a feminine style, there's lovely ripe dark cherry and plum notes, a hint of oak, soft spice and subtle mushroom notes. Nice acidity, delicious silky mouth feel and a great length of flavour, it's right up there with the best Pinots Australia can offer.

2010 Estate Pinot Noir, Paringa Estate **Mornington Peninsula** **£125**

Spicy oak and deep fruit aromas compliment a palate of powerful, deep dark berry and cherry flavours that come in layers. The oak is spicy in support, the tannins fine grained and slightly chewy. At the top end of the quality echelon of Peninsula Pinot.

2008 The Paringa Pinot Noir, Paringa Estate **Mornington Peninsula** **£149**

2008 Estate Pinot Noir, Paringa Estate **Mornington Peninsula** **Magnum** **£250**

Paringa's and arguably Australia's top Pinot Noir - made from barrels which were selected as clearly superior at the time of blending and bottling. The wine has rich powerful aromas of spice and dark cherry, combined with cherry oak, secondary barrel ferment mocha/coffee characters that will integrate further to become more Burgundian like with bottle age. On the palate the wine has rich ripe fruit, firm fine grained tannins helping provide excellent texture and length.

Kooyong

Based in the cool-climate Mornington Peninsula, 80km south of Melbourne, winemaker Sandro Mosele has crafted a reputation for the very best representation of Australian Pinot and Chardonnay (page 25). The vineyard is split into five individual parcels with a variety of clones planted on some very different soils, and everything is done to enhance and express the natural characteristics of each parcel.

The best section of each vineyard is reserved for the Single Vineyard wines. The remaining parcels are then blended to produce Massale Pinot Noir and the Clonale Chardonnay.

“This set of Victorian wines would blow a range of Burgundies out of the water. They'd rank up there with some premier cru Côtes de Beaunes.” Anthony Rose, Decanter Buying Guide, March 2010

2012 Massale Pinot Noir, Kooyong **Mornington Peninsula** **£39**

Vibrant Ruby Red. Opulent with juicy cherry and raspberry perfumed notes and a supporting minerality. A finely structured palate supported by persistent acidity and tannin. This wine shows richness and depth supported by juicy fruits including raspberry and cherry. It has a good linear palate and is supported with subtle oak. An elegant wine which is approachable when young

2011 Haven Pinot Noir, Kooyong **Mornington Peninsula** **£69**

Spicy, smokey, gamey aromas, leavened in the mouth with hints of anise and heather over succulent black cherry fruit. Well-structured, with richness and a warm, enveloping texture.

2009 Haven Pinot Noir, Kooyong **Mornington Peninsula** **£79**
Almost indistinguishable from a Premier Cru Vosne Romanée, this gradually uncurls with swirling to reveal focused spicy, smokey, gamey aromas, leavened in the mouth with hints of anise and heather over succulent black cherry fruit. Well-structured, with richness and a warm, enveloping texture.
Planted exclusively to Pinot Noir, the Haven Vineyard is the most sheltered site, being bordered by trees on both the North and South. The soil is loam over clay, with less sand than Meres and fewer sandstone pebbles than Ferrous.

2011 Meres Pinot Noir, Kooyong **Mornington Peninsula** **£69**
The vineyard name originates from the surrounding water bodies. Its greater exposure to the north, west and east limits the vigour of the vines, while the sandier soil reduces water stress compared to Ferrous and Haven. These factors combine to make the wine silken, perfumed and approachable when young, as well as having flavour concentration and ageing potential.

2011 Ferrous Pinot Noir, Kooyong **Mornington Peninsula** **£69**
The Pinot from the Ferrous vineyard is named for the sedimentary soils containing ironstone, a character that comes through in this wine. This vintage also offers gorgeous ripe black fruit, especially sweet cherries, plus orange zest and blood orange.

Tasmania

2010 Kayena Vineyard Pinot Noir, Tamar Ridge **Tasmania** **£52**
Another cracker from Tamar Ridge - the nose has impressive complexity that's all nicely integrated, some dark cherry fruits, earth, smoky, meaty notes and anise-scented spice. The palate carries clear smoky flavour amid dark cherry and berry fruit flavours.

2011 Estate Pinot Noir, Dalrymple **Pipers River, Tasmania** **£69**
"Bright, clear crimson-purple; a pinot of precision and purity; red cherry and forest strawberries drive the bouquet and the light- to medium-bodied palate; here it is length rather than depth that is important, the finish with a savoury, earthy finish." 93 points, James Halliday's Australian Wine Companion 2014, 10 July 2013

2011 Single Site Block CV90 Pinot Noir, Dalrymple **Pipers River, Tasmania** **£79**
"While there is little or no difference in hue or clarity, and the alcohol is lower, this wine has the depth and restrained complexity the '11 standard pinot doesn't achieve to the same degree; there are still savoury elements, but the varietal fruit carries the day." 94 points, James Halliday's Australian Wine Companion 2014, 10 July 2013

2014 Pinot Noir, Stargazer **Tasmania** **£84**

2011 Cottage Block Pinot Noir, Dalrymple **Pipers River, Tasmania** **£89**
"The colour is a clear, vivid crimson-purple; the ultra-fragrant red berry fruit/rose petal aromas of the bouquet lead into a supremely elegant, yet confident, palate; here silky tannins join a hint of briar on the finish to provide the necessary complexity." 95 pts - James Halliday's Australian Wine Companion 2014, 10 July 2013

Super saturated and concentrated cabernet dominant wine. It's basically a Bordeaux blend with additional contributions from merlot, petit verdot and cabernet franc. 2009 Cabernet Sauvignon, Larry Cherubino

Margaret River

£74

Dark and inky in the glass, which leads to a lifted aromatic nose of cassis and cigar box cedar. Gentle oak support allows the fully ripe dark fruit to shine on the palate, which is rich and dense and powerful. There is great persistence of flavour, complexity and ample fine tannins for structure. The wine – although medium bodied, has depth, power and gentleness. The finish is long and persistent.

2006 Cabernet /Merlot, Cape Mentelle

Margaret River

£75

2003 Cabernet Sauvignon, Cape Mentelle

Margaret River

£95

This was my 2013 Christmas day drink and delicious it was! Have always thought that Cape Mentelle Cabernets need time and this was no exception - opulent, structure and intensity sum this wine up. Rich flavours of bright redcurrants, mulberries and dark cherries stand out. The warm ripe tannins provide excellent structure balanced by cedary oak influences and a minerally clean finish.

2007 Heytesbury (Cabernet, Petit Verdot & Malbec), Vasse Felix

Margaret River

£125

2008 Heytesbury (Cabernet, Petit Verdot & Malbec), Vasse Felix

Margaret River

£110

Heytesbury is blend of the best barrels of old-vine Cabernet Sauvignon and small parcels of Petit Verdot and Malbec. It is matured in French oak for 18 months. The 2008 is a super-concentrated cabernet with deep blackcurrant and leafy mineral and light black olive influences. The palate is firm and tightly wound with tannin and oak.

2002 Diana Madeline (Cabernet Sauvignon/Merlot), Cullen

Margaret River

£125

Vanya Cullen has crafted a wine with a beautifully integrated, complex nose and great intensity and flavour concentration on the palate. A wine of balance, elegance and finesse that is just now reaching its peak.

Margaret River, Western Australia Continued

1995 Reserve Cabernet Sauvignon/Merlot, Cullen Margaret River £195

This is one of the all time greats rated a full 5 out of 5 by winemaker Vanya Cullen. Since 1974 the only vintages to receive such an accolade were 1984, 1991 Reserve and 1994 Reserve. This wine is drinking superbly now and should be enjoyed. Notes from a recent vertical tasting :- Opaque, brick red colour with deep brick red, brown hue. Superb nose, with mocha, dark chocolate, cedar, confectionary and spice aromas. The tannins are velvet smooth, fine and dry, forming an excellent backdrop to the blackcurrant, cedar and cigar box palate flavours. There is a sense of white pepper on the back palate, and whilst some of the fruit is beginning to fade, the palate delivers exceptional length and aftertaste, lasting for minutes.

Denmark, Western Australia

2008 Cabernet Sauvignon, Forest Hill Denmark £41

Forest Hill is the oldest cool climate vineyard in Western Australia and crafts wines that express unique regional and varietal characters combined with finesse, elegance and definition. This firm 2008 is full of black berry, tobacco leaf and subtle earthy and herbaceous hints that carry through onto the palate. Slightly dusty, chewy tannins are already well integrated with good mid-palate richness and definition.

Pemberton, Western Australia

2009 Merlot Cabernet Sauvignon, Picardy Pemberton £49

From the legendary winemakers behind Moss Wood. The Pannells have produced a stunning bordeaux blend! Very aromatic with a delicious palate, perfect fruit/oak/tannin balance; lush red-currant fruit and silky mouthfeel and thrust.

Adelaide Hills, South Australia

2007 Black Sanglain Cabernet Sauvignon, Setanta Adelaide Hills £49

Setanta is a relatively new family winery which has already earned plenty of praise for its elegant, cool-climate take on some of the bigger-style grapes, notably Shiraz and Cabernet. There is no shortage of ripe fruit here but it's always balanced with a certain freshness and sensitive use of oak - in particular the use of larger, older barrels which allow the wine to age gently without the oak stamping its flavours all over it.

Clare Valley, South Australia

2006 The Benbournie Cabernet Sauvignon, Jim Barry Clare Valley £100

2004 The Benbournie Cabernet Sauvignon, Jim Barry Clare Valley £100

This is the flagship Cabernet of the Jim Barry stable. Ripe black fruits combined with a beautifully distinct earth, leather aromas with hints of dried fruits and sweet mulch. One of if not the best Clare Cabernets money can buy!

2002 The Benbournie Cabernet Sauvignon, Jim Barry Clare Valley £100

Barossa Valley, South Australia

2008 Mentor Cabernet Sauvignon, Peter Lehmann Barossa Valley £62

From one of the great vineyards at Peter Lehmann, this Masters series is a classic example of great Barossa Cabernet showing deep colour, intense dark forest fruits and a firmly structured finish.

2009 Ruediger Cabernet Sauvignon, Peter Lehmann Barossa Valley £62

The Ruediger vineyards have produced a wine of great style and strength, that showcases just how good Barossa Cabernet can be. The colour is intense black/red. The bouquet is rich in blackcurrant and violets leading in to a richly flavoured palate showing fine grained tannins and a persistent finish.

2010 King Louis Cabernet Sauvignon, Fox Gordon Barossa Valley £69

2012 The Gentleman Cabernet Sauvignon, Teusner Barossa Valley £45

2005 Cabernet Sauvignon 'Rifle Range', Rockford Barossa Valley £85

While many seek out the Basket Press Shiraz, it would be a disservice to ignore this opulent and concentrated Barossa Cabernet from Rockford. The Rifle Range actually has a lovely elegant and structured bent to it, some real class. A core of blackcurrant that is complimented by savour touches that lift the wine to some extraordinary levels.

2011 Bin 407 Cabernet Sauvignon, Penfolds Multi District Blend/S.Australia £99

The nose of '11 407 bowls you over with its thump of cassis and menthol, this is every inch a textbook Australian Cabernet Sauvignon. On the palate, along with very pure sweet red and black fruit there are elements of well integrated French and American oak along before expanding into a fine and thoroughly elegant finish.

1998 Cabernet Sauvignon, Charles Melton Barossa Valley £125

A delicious and rare edition of a now aged Cabernet from Charlie Melton. The bouquet is at the cedary/leafy end of the spectrum but the palate brings sweet berry, mint and a touch of chocolate into play. The tannins are soft, the oak playing a pure support role.

McLaren Vale, South Australia

2010 Fierce Allure Cabernet Sauvignon, Some Young Punks McLaren Vale £49

Single vineyard Cabernet from McLaren Vale, grown in loam on clay soils using Biodynamic philosophies every step of the way. The wines are vegan and vegetarian friendly. Only 482 cases are produced, the wine spends between 14 and 30 days on skins and uses indigenous yeast during fermentation.

2009 Cabernet Sauvignon 'Serpico', Mitolo McLaren Vale £99

Dark fruits with wisps of smoke and crushed leaves combine with notes of espresso and dark chocolate. The palate has intensity derived from the drying process, the tannin structure is seamless and shows almost infinite length.

2004 Cabernet Sauvignon 'Serpico', Mitolo McLaren Vale £125

Universally heralded as one the finest Australian Cabernets ever and my favourite quote comes from Matthew Jukes when including this in his Top 100 wines of 2006. "Lock up your daughters, here comes a fleet of vikings, primed to slaughter anything in their way. Serpico is the definitive destroyer - it makes you forget every other wine you've ever tasted." Genius and could have put it better myself!

Coonawarra, South Australia

2012 The Cover Drive, Cabernet Sauvignon, Jim Barry Coonawarra £35

An aussie classic - named after the Penola cricket ground, that now houses this wine's vines! The nose is very fragrant, dominated by intense cassis and cedar, with nuances of fennel and damson. A generous palate with succulent tannins framing blackcurrant, liquorice and cherry flavours.

2012 'The Cigar' Cabernet Sauvignon, Yalumba Coonawarra £39

A crimson red with an aroma that fills the senses and immediately identifies it as Coonawarra Cabernet! The wine is bright with fresh red fruits such as cherries and currants sweeping the palate followed by the melted chocolate texture of the soft tannins.

2011 'The Cigar' Cabernet Sauvignon, Yalumba Coonawarra £45

2008 The Menzies Cabernet Sauvignon, Yalumba Coonawarra £65

2005 The Menzies Cabernet Sauvignon, Yalumba Coonawarra £75

2004 The Menzies Cabernet Sauvignon, Yalumba Coonawarra £95

2003 The Menzies Cabernet Sauvignon, Yalumba Coonawarra £95

2001 The Menzies Cabernet Sauvignon, Yalumba Coonawarra £95

Menzies is unmistakably Cabernet Sauvignon, the nose is full, rich and ripe; reminiscent of blackcurrants, cedar furniture, bay leaves and anise. As with recent vintages of 'The Menzies' the wine opens with a full berry attack building to a round full mid palate of fruit and oak. The wine is full bodied with great length given by soft, velvety tannins.

2005 'The First 11' Cabernet Sauvignon, Jim Barry Coonawarra £65

Only the 2nd vintage of this wine named in honour of the legends of Australian cricket. The wine is deep claret in colour, with characteristic Cabernet aromas of cassis and cigar box. The palate is rich and textual, dominated by blackcurrants and spice. The tannins are velvety, and the wine ends with a lingering liquorice, cherry finish.

2006 Parker Coonawarra Terra Rossa First Growth, Parker Coonawarra £80

This is a stunner of a wine and deserves its First Growth name. Multiple layers of flavour, texture and structure. Cassis and blackcurrant are interwoven beautifully with the new French oak and ripe tannins. Exceptional!

2010 Bin 169 Cabernet Sauvignon, Penfolds Coonawarra £350

This vintage has been described as a benchmark for Cabernet Sauvignon and the intention with Bin 169 is to reflect Penfolds' contemporary approach to winemaking. Truly mouth-filling with persistent fruit on the palate, the nose has a linear quality and Burgundy-style toast notes thanks to the French oak. There is an underlying animal character which is brightened by a gaspacho freshness showing the sublime balance of this elegant wine.

Pyrenees, Victoria

2008 Cabernet Sauvignon 'Moonambel', Dalwhinnie Pyrenees £120

An iconic wine from an iconic producer. This 08 Cab deep black/purple in colour and the nose is quite something - fragrant aromas of freshly crushed black currant, blackberries with supporting notes of cloves, cigar boxes, dark chocolate and lamb fat plus a whiff of mint and bay leaf. At this point your mouth will be salivating and the palate does not disappoint - lots of ripe black fruits, great concentration and very fine tannins. The finish is very long and one to remember!

Yarra Valley, Victoria

1991 Dry Red Wine No.1, Yarra Yering Yarra Valley £165

This was recently opened in a vertical tasting of No.1 from 1976 to 2006 in the Ledbury in London. It was given 94 points and quoted as being 'Ripe, oaky focused, classic Yarra Yering with its intense cassis, but smooth and luxuriously textured, brilliant' Enjoy this piece of history!

Cabernet Sauvignon and Shiraz Blends

kab-er-nay sov-in-yon, she-raz

Cabernet and Shiraz blends are a rich part of Australian wine heritage and are pretty much unique to the country.

Barossa Valley, South Australia

2010 The Scribbler Cabernet/Shiraz, Yalumba **Barossa Valley** **£32**

“This is one of Australia’s finest value red wines. The Scribbler is a serious work of genius and it is eminently affordable considering the immense class in the glass. Lusty, rich, scented and sturdy this is a truly magnificent red.”

Matthew Jukes, Daily Mail, January 2012

2010 Rod & Spur Cabernet/Shiraz, Rockford **Barossa Valley** **£65**

Although the blend is about 50:50, the cabernet character dominates the exuberant aroma. But on the buoyant, generous, sweet-berry palate the two varieties became inseparable – until the cabernet tannins tighten up and leave you gasping for the next mouthful!

2008 The Signature Cabernet Sauvignon Shiraz, Yalumba **Barossa Valley** **£59**

2010 Keyneton Euphonium Shiraz, Cabernet & Merlot, Henschke **Barossa Valley** **£85**

2012 ‘Anaperenna’ Shiraz & Cabernet Sauvignon, Glaetzer **Barossa Valley** **£95**

“I love big wines in the 2012 vintage. There was a natural cooling phenomenon in this vintage in South Australia which tempered some of the elite reds, clipping their wings a little and cooling them down. This is a stunning Anaperenna and it is smoother and more tranquil than past vintages and this makes it more accessible and also more refreshing. The oak and tannin elements have melted into the fruit and you are presented with a desperately attractive nose and luxurious palate which fades away to a serene finish. Anna Perenna, Roman Goddess of the New Year, herself is personified in this vintage more than any other to date.” Matthew Jukes Top 100, June 2014

2002 The Reserve Cab. Sauvignon & Shiraz, Yalumba **Barossa Valley** **£120**

The Reserve represents the finest twenty barrels of red wine from the cellars of Yalumba and is made only in exceptional vintages. Cabernet Sauvignon and Shiraz from South Australia’s Barossa region was blended to create an extraordinarily intense wine of great richness and harmony. Aged in oak barrels, seasoned and coopered at Yalumba, the wine is rich in chocolate and mocha flavours.

Langhorne Creek, South Australia

2007 Scaredy Cat Cabernet Shiraz, Killibinbin **Langhorne Creek** **£44**

Made using fruit from the twisted ancient vines of Langhorne Creek’s venerable Metala Vineyards. Classic Langhorne notes abound - black, dark and grippy with that eucalypt-scented velvet glove at the throat. Rich, luscious fruit texture with a touch of savouriness leading to fleshy, long fruit flavours that hold consistently.

2012 Director’s Cut Cabernet Sauvignon, Heartland **Langhorne Creek** **£49**

Eden Valley, South Australia

2011 FDR1A Cabernet Sauvignon & Shiraz, Yalumba Eden Valley £55

2009 FDR1A Cabernet Sauvignon & Shiraz, Yalumba Eden Valley £65

In 1974 Yalumba created an outstanding Cabernet Sauvignon Shiraz blend known simply as FDR1A. The wine soon became a legend in winemaking circles, appreciated both for its fruit expression and restrained power. "Super ripe, super oaky and super concentrated, this wine shows depth and power, rich black fruits, mocha" 92 points - James Halliday

2005 FDR1A Cabernet Sauvignon & Shiraz, Yalumba Eden Valley £80

Clare Valley, South Australia

2012 Basket Pressed Cabernets, Skillogalee Clare Valley £44

2010 Basket Pressed Cabernets, Skillogalee Clare Valley £55

This Cabernet blend is beautifully rich wine in the Skillogalee tradition but with freshness and purity, with intense colour and power, cool aromas and flavours. The wine is full and soft with leafy fruit flavours, elegant vanillin oak and light fine tannins on a lingering finish.

2007 Trevarrick Single Contour Cabernet Shiraz, Skillogalee Clare Valley £90

2005 Pb Shiraz & Cabernet Sauvignon Clare Valley £95

Multi District

2011 Bin 389 Cabernet Shiraz, Penfolds Multi District Blend/S. Australia £99

Often referred to as "Baby Grange" by virtue of the fact that the young wine is matured in barrels in which Grange was the previous incumbent. Extra stardust is derived as a result of no Bin 707 being produced this year, hence fruit destined for that iconic wine makes up a proportion of the Bin 389 blend. A near 50 / 50 mix of Cabernet and Shiraz sourced from the McLaren Vale and Barossa Valley, aged for 12 months in a combination of French and American oak hogs-heads. The wine opens on a wonderfully inviting medley of mocha, Christmas cake and liquorice, enswathed by firm, ripe tannins and vibrant acidity lending lift to the savoury finish promising excellent development potential. Little wonder this is the most cellared wine in Australia.

Shiraz, Shiraz Blends and Rhone Varietals

she-raz

Margaret River, Western Australia

2007 Shiraz, Vasse Felix **Margaret River** **£65**

This Shiraz contains an 11.5% Malbec component, it has saturated black dark red colour. The nose leaps out of the glass delivering a powerful aromatic profile of blackberry, dark plum, confectionary, blackpepper and spice. The palate is equally impressive displaying a rich and generous flavour profile but at the same time possesses a degree of refinement that's rarely present in many South East Australian counterparts. Flavours of ripe blackberry, plum and liquorice are all seamlessly integrated and are followed by some blackpepper and spicy cedar characteristics on the back palate. Super fine tannin structure with very long (bordering on exceptional) aftertaste of liquorice, blackberry, blackpepper and spice.

Great Southern, Western Australia

2009 Shiraz, Plantagenet **Mount Barker** **£72**

A stylish Western Australian shiraz from a mature 40 year-old vineyard. A fine, perfumed nose reveals a wine with smooth, velvety texture, peppery, blackberry fruit and seamless balance.

2009 Shiraz, Picardy **Pemberton** **£49**

A really elegant, almost Pinot-like Shiraz with smooth, sweet fresh berry and cherry fruit on the nose. The palate is fresh and a bit grippy with some spicy notes. Restrained, fruit-driven and balanced, with a hint of meatiness. Very stylish.

2009 Shiraz, Flametree **Frankland River** **£41**

The 2009 shiraz shows fruit flavours in the plum, cherry, liquorice and spice spectrum. It is wonderfully fragrant with a bouquet of plum, cherry and spicy blueberry. A generous, fruit driven palate of berries and liquorice follows soft velvety tannins.

2010 Shiraz 'Acacia Vineyard', The Yard **Frankland River** **£43**

The 2010 season is considered to be one of the standout seasons for Western Australia. This beauty displays a combination of earth, spice and black fruits that make this a very complex and interesting Shiraz. Blueberry, black cherry and moist red earth are carried across to the palate. The tannins are soft with good persistence and length.

2011 'Middle of Every Where' Shiraz, Ad Hoc **Frankland River** **£31**

You simply must try this! Made by Larry Cherubino Wines, James Halliday's Winery of the Year in 2011, this is truly one of the finds of the year. Purity is everything; fragrance galore, plush flavours of blue fruits and lavender, uninterrupted length and superb balance. A cracking wine!

2009 Shiraz, Larry Cherubino **Frankland River** **£74**

The Cherubino label showcases the most individual grapes Larry can lay his hand on and the results are exceptional - again! On the nose, intense blueberry, white pepper and spice. The palate sits well and truly in the savoury spectrum with smoky spice, tobacco and earthiness complementing the deep dark fruit profile. Extremely complex with cinnamon, star anise and white pepper notes. The wine is dense, intense and powerful, yet the palate retains a silky elegance

2007 Shiraz Block 9, Forest Hill **Frankland River** **£59**

Scents of dark cherries and berries, cinnamon spice and earthiness decorate the nose, whilst the palate is medium to fuller-bodied, with a succulent cherry centre, licks of dried herbs, a solid line of tannins, and a slinky, earthy spice finish.

2010 Shiraz, Amelia Park **Frankland River** **£48**
Every winery has a mantra or a philosophy, Amelia Park just believe in making the best wine possible from top quality Margaret River fruit. They focus on the essential and keep only the exceptional. This Shiraz is made with top quality fruit from the Frankland River. There's an edge of fruit richness on show here, with dark berries, licorice and spice all contributing complexity. A wine that needs food but is poised and balanced too.

2009 Orondo Grenache Shiraz Mourvedre, The Yard **Frankland River** **£43**
This beauty, from Larry Cherubino, one of Australia's most acclaimed winemakers, was aged in oak barrels for 5 months. Earthy and savoury on the nose with tobacco notes. There is primary plummy fruit characters and very minimal oak influence. The palate is full of brambly spices, pepper and juicy fruit. The wine is medium weight and has a long clean finish.

2008 'La Ciornia' Shiraz, La Violetta **Denmark** **£60**
The inspiration for La Ciornia comes from Andrew Hoadley time spent working in Barbaresco. Really refined bright, aromatic nose showing sweet, pure raspberry and cherry fruit with subtle hints of meat, olive and spice. The palate is superbly elegant with pure, seamless, beautifully poised cherry and raspberry fruit. Lovely elegance and freshness I think Matthew Jukes summed it up best for me when he said of Ciornia "I certainly had no idea that a Shiraz from Denmark could have Pinot Noir tenderness under its malevolent, vampiric exterior."

Adelaide Hills, South Australia

2007 Cuchulain Shiraz, Setanta **Adelaide Hills** **£47**
Dark plum in colour with purple hues. A blackcurrant and pepper nose precedes tastes of plum, white pepper and wild black cherries. Excellent use of oak has integrated the soft tannin characters. A Rhone style Shiraz that drinks really well!

2012 Shiraz, Shaw & Smith **Adelaide Hills** **£69**
The Adelaide Hills has now proven it can make truly exciting spicy Shiraz. The key is careful site selection, low yields and restrained use of oak. The blend component from the warmer sub-area of Macclesfield gives structure and richness, whilst Balhannah contributes spiciness and perfume. This is a vibrant, modern interpretation of Australian Shiraz. It has an intense colour, pepper-spice flavours and great intensity.

2009 Shiraz Prestige, Haan	Barossa Valley	£59
The powerful aromas of spice and berry like fruits combined with the dusty French oak and hints of vanilla produces a very seductive aroma with many layers of complexity. The well rounded and powerful mid palate shows the generosity of this wine, the blackberry fruits and spicy oak combine to give its richness and the firm tight tannin structure allows this wine to be classed as pure Barossa		
2010 Steeple Shiraz, Yalumba	Barossa Valley	£64
2010 Hannahs Swing Shiraz, Fox Gordon	Barossa Valley	£69
2010 Paradox Shiraz, Yalumba	Barossa Valley	£72
2009 1885 VSV Shiraz, Peter Lehmann	Barossa Valley	£75
Ralph and Angela Schrapel manage a small patch of dry grown Shiraz planted by Ralph’s great-great-great grandfather in 1885 in the Ebenezer district. The colour is deep red with a black centre. Aromas of dark chocolate and cherry, which follow through to the richly structured palate and balanced by soft, fine tannins. This is a limited release old vine Shiraz.		
2009 Orrock Shiraz, Peter Lehmann	Barossa Valley	£75
The Orrock family planted a Shiraz vineyard in the late 1990s in the Flinders ranges, 200km north of Barossa. With that, they became pioneers of the Southern Flinders wine region. The high altitude, maritime climate and classic terra rossa soils over limestone combine to create a lifted aromatic wine with strong regional characteristics.		
2009 Stonewell Shiraz, Peter Lehmann	Barossa Valley	£75
2007 Stonewell Shiraz, Peter Lehmann	Barossa Valley	£85
Peter Lehmann Stonewell is a rare breed in super premium Barossa Shiraz with its balance of elegance and power. The region is known for producing wines of utmost concentration and richness, and while the Stonewell offers those characters it stands out with its purity of fruit and palate balance. The 2007 is wine sometimes overlooked as it is bookended by the 2006 and 2008 vintages, yet this is another Stonewell stunner. With blackberry and blackcurrant fruit weight with the Lehmann trademark length.		
2006 Stonewell Shiraz, Peter Lehmann	Barossa Valley	£95
This is a very fine wine. Years from now it may well be regarded as the best Stonewell ever - it is the very essence of Barossa. An intriguing dichotomy of power and elegance, intense black fruit and spice wrapped in stately oak. A wine for the ages - magnificent.		

Barossa Valley, South Australia Continued

2006 Single Vineyard Shiraz 'Eden Valley', Yalumba **Barossa Valley** **£75**

This wine is deep, dark purple-red in colour with a black cherry and dark choc-mint mix nose displaying distinct aromas of coffee, mocha, plum and spice. The palate is complex and intense, yet showing subtlety, elegance and fineness.

2006 Light Pass Shiraz 'Hahn Farm Vineyard', Yalumba **Barossa Valley** **£75**

94 points - "The thing I like about these Yalumba Single Site wines is their restraint. They're not in any way over the top. Dark and sandy, dense and yet soft. Full of inky flavour but then cedary, toasty - even minerally - through the finish. There's tannin here but it's superfine and part of the wine - rather than the master of it. Juicy, fleshy finish. It's a wine with a lot to offer - that doesn't put a foot wrong." Campbell Mattinson, www.winefront.com.au, 22 October 2009

2006 Lyndoch Shiraz 'Fromm Vineyard', Yalumba **Barossa Valley** **£75**

"This is a distinctly ripe southern Barossa style from a 75-year-old vineyard. It smells of black and red-berry fruits, and is quite pure and assertive. Rich, swarthy tannins and abundant black-fruit flavours; the palate's full of intensity yet it's tempered by the wisdom of old vines."

Nick Stock, "70 Reds to Remember", *Gourmet Traveller WINE (Aus/NZ)*, June/July 2010

2005 Single Site Shiraz 'Swingbridge Vineyard', Yalumba **Barossa Valley** **£85**

A near perfect single vineyard shiraz from Yalumba. This time from the Swingbridge Vineyard which is in the Eden Valley where temperatures are a few degrees cooler than on the valley floor. As you'd expect, there's obvious pepper and spice and the wine is more elegant in structure. Lighter redcurrant and raspberry fruits along with understated oak have created a beautifully balanced result

2005 Lyndoch Shiraz 'Fromm Vineyard', Yalumba **Barossa Valley** **£85**

2006 Basket Press Shiraz, Rockford **Barossa Valley** **£95**

A legendary Shiraz, sourced from a network of old-vine vineyards that were saved from being grubbed up by Rockford founder Robert O.Callaghan. A wonderful purple-red colour gives a sign of what is to follow: rich and hedonistic black fruit flavours, a silky, velvety texture and a savoury, fine tannin finish that will have you gasping for more. Basket Press is right at the top of the tree in Barossa Shiraz, putting more expensive wines in their place. Possibly my favourite wine in this entire list - (please leave it for me.....)

2011 Bin 150 Maranaga Shiraz, Penfolds **Barossa Valley** **£99**

2008 The Octavius Old Vine Shiraz, Yalumba **Barossa Valley** **£95**

2004 The Octavius Old Vine Shiraz, Yalumba **Barossa Valley** **£110**

97 points - "A superlative Barossa shiraz with a vibrant, floral and spicy perfume of vibrant black and red berries, sweet vanilla/chocolate and nuances of mocha. Powerfully concentrated but surprisingly elegant, smooth and silky, its long, seamless palate presents an astonishingly bright and intense expression of crushed berry fruit given its time in new very small smoky oak. Very persistent, it's tightly supported by fine-grained spine of drying and grainy tannin."

2010 The Strapper (Shiraz, Grenache and Mourvèdre), Yalumba Barossa Valley £32

The Strapper, Barossa Valley GSM is not the showy type, rather the wine that the winemakers drink, when they're not having a Riesling or an ale. Authentic Barossa Shiraz is sandwiched between the understated fragrant perfume of Grenache and the earthy, rustic tannins of Mataro - a well bred, strapping and savoury wine.

2010 Hand Picked Shiraz/Viognier, Yalumba Barossa Valley £45

The Yalumba Hand Picked Shiraz + Viognier is full depth crimson red in colour. The aroma opens with the fresh bright lifted spices, blackcurrants, cherries and lavender with violet florals and subtle white pepper hints. A medium to full bodied wine packed with dark fleshy cherry fruits and anise.

Glaetzer, Barossa Valley

Winemaking patriarch Colin Glaetzer established his own label to create wines he's passionate about – limited quantities of benchmark Barossa Valley reds. Today, Ben Glaetzer carries on this family winemaking tradition and has created a small, focused portfolio of classic Barossa Valley reds which draw on traditional Barossa viticulture but are unmistakably new wave Barossa in style. The exceptional fruit for all Glaetzer wines is supplied by a loyal group of third and fourth generation Barossa grape growers and comes from a small sub-region (1.5 sq miles) of the Barossa Valley called Ebenezer. The dry-grown vines range from 30-120 years old and are a unique part of Australia's viticultural heritage; producing wines of great intensity and elegance. The Australian Langtons Fine Wine Guide wrote "Glaetzer is one of the emerging stars of the Barossa... philosophically and by heritage."

Velvet smooth but solidly built tannins provide the perfect level of structural support. Outstanding depth and persistence with exceptionally long blackberry, cassis, liquorice, vanillin oak and spice aftertaste. Classic Ben Glaetzer.

2010 Cracking Black Shiraz, Penny's Hill

2009 Shiraz 'GAM', Mitolo

McLaren Vale

£72

The G.A.M. Shiraz comes from the Chinese Block vineyard which is located in the Willunga district of McLaren Vale. This is a serious wine with a serious alcohol level (15%), however, it is amazingly well-balanced and shows super-ripe aromas of sweet dark berries, chocolaty oak and peppery spice with hints of meaty savouriness. The palate is full and intense with a powerful black fruit middle, fine chalky tannins, and a lush, sweet-fruited, savoury-edged finish.

2005 Shiraz 'GAM', Mitolo

For those who are wondering what GAM is all about – it just happens to be the initials of the owners 3 kids! An outstanding wine. Opaque black crimson colour with deep black crimson hue. Top note of liquorice, followed by spice, blackberry and vanilla with a hint of violets as an end note. The palate delivers generous 'joosy' McLaren Vale flavours of liquorice, plum and spice. Perfect balance. Long aftertaste of spice, blackberry and black pepper.

2001 Penfold's Grange, Penfolds

£750

"It is always a treat to taste Australia's most famous wine, Penfolds' Grange cuvee. Inky/blue/purple to the rim, with a stunning perfume of blueberries, blackberries, chocolate, graphite, and earth, it boasts good acidity, huge tannins, magnificent concentration, and a multilayered, textured mouthfeel." Robert Parker 98+Points

1997 Penfold's Grange, Penfolds

£750

"The 1997 Grange (a blend of 96% Shiraz and 4% Cabernet Sauvignon) looks to be a classic Grange, although slightly softer and more forward than the backward 1996. The saturated purple-colored 1997 offers a gorgeously sweet nose of blackberry liqueur, cherries, camphor, chocolate, plums, and mocha. The wine is opulently-textured, extremely soft, layered, and seductive, with Grange's tell-tale personality well-displayed, but in a seamless, seductive style. This is a superb Grange" 94 Points, Robert Parker, Wine Advocate #143

1994 Penfold's Grange, Penfolds

£750

"A magnificent edifice of a wine, elegant and refined in structure but dripping with flavor--a virtual cascade of plum, black cherry, blackberry, anise, pepper and exotic spices that lingers on the finish; this just doesn't quit." 96 Points Harvey Steiman, Wine Spectator

1993 Penfold's Grange, Penfolds

£750

"Dark, peppery and earthy overtones add substance to this chewy, remarkably complex red wine. It delivers a ripe core of plum and dried currant, then branches out, hinting at anise and mineral on the finish. Approachable now, but oh what a future this has." 95 Points Harvey Steiman, Wine Spectator

Canberra District, New South Wales

Clonakilla is one of Australia's star wineries, and has built its reputation for making brilliant Shiraz with a touch of Viognier from the relatively cool climate region of Canberra District. We are lucky to have tucked away a few vintages that are now showing their stuff!

Winemaker Tim Kirk cites Côte Rôtie, the northern Rhône appellation, as the inspiration for the Shiraz Viognier, which was first made in 1992. He describes his Shiraz Viognier as a 'Shiraz for Pinot lovers.'

| 2003 Shiraz/Viognier, Clonakilla | Canberra | £70 |

| 2001 Graveyard Shiraz, Brokenwood | Hunter Valley | £175 |
| One of the icons of the Hunter Valley, the Graveyard is a single-site expression of this region at its best. The 2001 has some earthy notes on the nose that are held in contrast to the sweeter blackberry and cherry notes on the palate. A great wine. | | |
| 2011 Graveyard Shiraz, Brokenwood | Hunter Valley | £125 |
| Graveyard Vineyard is the jewel in the Brokenwood crown, responsible for the company's flagship wines. The vineyard was planted with Shiraz vines in 1970 - extremely heavy clay soils, yields are low, but fruit flavour is intense through employment of meticulous vinification techniques. Strong lifted aromas of sweet earth and dark cherry greet the olfactory senses. Oak features, but will soften and integrate given some patience. Initial flavours of dark chocolate and ripe plums are beautifully lashed to ripe tannins lending an edge of cedar. | | |

Grampians, Victoria

Mount Langi Ghiran

Mount Langi, at the foot of the Grampians, produces one of the great shiraz wines of Australia. I was lucky enough to meet then winemaker Trevor Mast in 2003 (now sadly not with us) for a tour of the winery and a cracking good lunch. I will never forget the beauty of the area and the white pepper spice character of the wines. The classic calling card of Western Victorian shiraz is the pepper and spice character on the nose that follows through onto the palate without ever overshadowing the core of beautiful fruit. We are lucky enough to have several mature vintages for you to enjoy!

2000	Langi Shiraz, Mount Langi Ghiran	Grampians, Victoria	£85
1999	Langi Shiraz, Mount Langi Ghiran	Grampians, Victoria	£85
1998	Langi Shiraz, Mount Langi Ghiran	Grampians, Victoria	£90
1997	Langi Shiraz, Mount Langi Ghiran	Grampians, Victoria	£95

2008	Shiraz 'Westgate Vineyard', The Story	Grampians, Victoria	£95
------	---------------------------------------	---------------------	-----

This is a single vineyard wine made (in the winemaker's words) 'naturally fermented over 21 days in open French oak puncheons, then hand bucketed and pressed to 31% new French oak from Francois Frères, and Gillet cooperages. It was allowed to mature for 14 months (then bottled) without fining or filtration'. The result - very floral Shiraz characters and wonderful length without being heavy or hard.

Strathbogie Ranges, Victoria

2010	Ladies Who Shoot Their Lunch Shiraz, Fowles Wine	Victoria, Australia	£49
------	--	---------------------	-----

'Taking the cool climate thing to a new level this liquorice-scented Shiraz manages to bring to the party incredible aromatic complexity which overlays a purple palate. Add to this a touch of iodine (found in the greatest Hermitages and Côte-Rôties) and you get a truly enchanting manifestation of the Shiraz variety. Follow the recipe idea on the label and you won't go wrong when drinking this wine but if I might also point out another food group that adores crunchy, vital Shiraz and that is, of course, the cheese arena. So my advice is to buy two bottles and continue the joy to main course and beyond.' Matthew Jukes

Pyrenees, Victoria

2008	'Moonambel' Shiraz, Dalwhinnie	Pyrenees, Victoria	£120
------	--------------------------------	--------------------	------

Made from low yielding vineyards at Moonambel in the Pyrenee district of central Victoria, Dalwhinnie is an example of how good Victorian Shiraz can be. Tremendous depth of flavour running the gamut from red currants to dark plums, spice and mineral. The plentiful tannins are absorbed by the fruit and the finish is long and lingering.

2008	'The Pinnacle' Shiraz, Dalwhinnie	Pyrenees, Victoria	£150
------	-----------------------------------	--------------------	------

A rare, single block Shiraz from the Victorian Pyrenees highest vineyard. Big rich plummy nose along with a rhubarb and a black pepper perfume. Plenty of texture on the palate and a savoury pepper profile. Finishes long and dry.

2008	'The Rock' Shiraz, Dalwhinnie	Pyrenees, Victoria	£169
------	-------------------------------	--------------------	------

"From vines planted in 1995, the 2008 South West Rocks Shiraz gives a very deep garnet-purple color and an incredibly perfumed nose of red roses, ripe raspberry and milk chocolate with some espresso, Chinese five-spice and Szechuan pepper. The medium to full-bodied palate is crisp and concentrated with very silky, seductive tannins and a very long finish." 95 points Robert Parker, 2010

2005	'The Eagle' Shiraz, Dalwhinnie	Pyrenees, Victoria	£240
------	--------------------------------	--------------------	------

David Jones' flagship is sailing high in this enticingly complex, deep and alluring wine of mixed spice and exoticy. A fine thread of black pepper laces black cherry and plum fruit to signature, seamless, textural Eagle tannins. Dark choc oak supports a finish of profound length and style.

Then medium weight with pleasant loose knit grainy tannin, some savouries and a pleasant dryness, but the fruit is seductive and tasty with a pervasive taste of aniseed throughout. Good finish. Dangerous sort of wine. You could belt a bottle in no time at all.

With only one barrel made, this is very herby with juniper and spice. Extremely powerful and silky with masses of minerality and extraordinary length in the mouth. An astounding wine!

2007 Bienvenues Batard Montrachet, Domaine Leflaive Burgundy £645

Domaine Leflaive's 2.84-acre parcel in this vineyard is one of its oldest plantings, the vines dating to the late 1950s. It was in an effort to save these vines that Anne-Claude Leflaive and Pierre Morey turned to biodynamics in the early 1990s. This 2007 is truly one of the great wines of the world. Aromas of lily, white peach, pineapple and those lovely characteristic toasted nuts fill the glass. On the first taste you are hit with a primary juicy ripe fruit and amazing a liquid version of the aromas described - incredible! It develops in the mid palate into a creamy rich flavour with a texture of saline/chalkyness? The finish is remarkable and holds for an age - think richness, saline, stone fruit, and savoury all in one. Possibly one of the finest wines I have tasted and will likely taste.

Beaujolais

White Beaujolais is a rarity – only 1% of wines made are white and of those 1% the best are undoubtedly from Chateau Thivin, one of the iconic estates of the Beaujolais. These 2 wines are among the best value on our list and those that trust us will be rewarded.

2014 Beaujolais Blanc Cuvée Marguerite, Chateau Thivin Beaujolais £39

Cuvée Marguerite is a white Beaujolais Villages, grown on a seam of clay-chalk soil in the parish of Saint Lager. Lovely light, elegant colour, exceedingly fine nose, aromas of white flowers and citrus, mouth very round and complex. This wine is outstanding when young, and can also be confidently laid down for three or four years.

2014 Beaujolais Blanc Clos Rochebonne, Chateau Thivin Beaujolais £39

Clos de Rochebonne is from a 16th Century walled vineyard, situated in Theizé, in the southern Pierre Dorées region. It has amazing layers of intense white fruit and blossom on the nose with an underlying apricot and Mirabelle plum fresh fruitiness

2014 Muscadet Sevre et Maine sur Lie, Langlois-Chateau Loire Valley £26

This Muscadet de Sèvres et Maine, matured on the lees, is top of the range thanks to its exceptional terrior and a dedicated vinification method. More body, more character, more complex: it is very different from other wines of the same name.

2014 Pouilly Fume, Domaine de la Renardiere Loire Valley £35

An elegant wine with a long finish marked by the steely flavours, often referred to as “gunflint”, typical of the Appellation

2013 Sancerre, Chateau de Fontaine Audon, Langlois-Chateau Loire Valley £45

Chateau de Fontaine-Audon is one of only 4 Chateau in Sancerre. This stunning wine has an intense nose of grapefruit and passion fruit. Full fresh elegant palate with a mineral finish. This is one of the most exhilarating Sancerres that we have come across.

2012 Menetou-Salon Morogues, Domaine Henry Pelle Loire Valley £39

This wine shows what good value can be found in the lesser known ‘appellation’ of Menetou-Salon located to the west of Sancerre. Domaine Henry Pelle produces wines of world renown and are a true reflection of the terrior. Aromas of nettle, blackcurrant leaf and green pepper with hints of tropical fruit, lime and flinty liquorice. The palate has lots of re-freshing citrus zest, more nettle and grassy characters, lovely minerality and a slightly creamy honeyed finish. Refreshing acidity and a good balance.

2014 Pouilly Fume, Château Favray Loire Valley £40

A fantastic Sauvignon Blanc, clean, fresh, very dry with a depth of fruit and fantastic concentration

2010 Sancerre, Serge Laloue Loire Valley £45

Subtle nose of jasmine and green apple. Flavors of citrus, spice and ever so slight vanilla. Coats the mouth nicely, with medium weight on the palate. Finish and flavors linger beautifully.

2009 Sancerre, Pascal Jolivet Loire Valley £45

Pascal Jolivet is one of the most dynamic and forward looking producers in the Loire Valley. His 2009 Sancerre is now beginning to show at its best - richness and elegance with real zip on the finish.

2010 Sancerre Reserve Silex, Serge Laloue Loire Valley £49

This 20-hectare estate was established by the late Serge Laloue on the slopes of Thauvenay, just south of the hilltop town of Sancerre which overlooks the Loire River. Now run with great precision by Serge’s son Franck and daughter Christine. The microclimate here is cool, owing to the exposition of the vineyards and the flinty, granitic soils here called silex contribute backbone and acidity to the finished wines.

2012 Pouilly Fume, Chateau de Tracy Loire Valley £49

Classic Pouilly-Fumé with elegant mineral style and grassy asparagus flavours. Subtle and aromatic with lovely concentration.

2012 Pouilly Fumé Triptyque, Alain Cailbourdin Loire Valley £68

Few illustrate the influence of ‘terrior’ more effectively than Alain Cailbourdin. This is achieved through a policy of short pruning, low yields, gentle pressing and controlled fermentations using indigenous yeasts which results in wines of concentration, purity and intensity. Triptyque’ is marvellous: made in 50% oak from 70-year-old vines, it balances Loire freshness with complexity.

2010 Sancerre Le Cul De Beaujeu, Serge Laloue Loire Valley £76

Lovely mineral nose with great depth and complexity while retaining the purity of the appellation and varietal. A true world class Sancerre. Soft chalkiness is supported by superb definition.

2011 Pouilly Fume 'Haute Densite', Chateau de Tracy Loire Valley £140

This wine is produced from high-density vines (17,000 vines per hectare; the standard is 7,000). Competition between the vines is therefore greater and so they say work harder. This extraordinary wine starts with a full, crisp attack with underlying power and richness. The mid palate has a terrific structure which enhances the freshness, the fullness and power, giving a slightly tannic sensation. The final flavour is rich and appetising with great length ending on slightly roasted notes

Bordeaux

2012 Château Lestrille Capmartin AC Bordeaux £33

A dead ringer for a Pessac Leognan white selling at twice its price. The blend of Sauvignon Gris, Sauvignon and Semillon with some new barrel fermentation has produced a rich, fresh and really zingy white Bordeaux.

2003 Château Smith-Haut-Lafitte Blanc Pessac-Léognan £85

This is the last bottle of this beguiling wine. 2003 was a hot year and the top white wines produced that year are just beautiful - creamy apple pie, lemon, tight vanilla. Full, dense and creamy just like a white Burgundy.

Chenin Blanc

Loire Valley

2013 Saumur, Langlois Chateau Loire £26

A lifted fresh and approachable, fruity Saumur which offers the freshness of its chalky soil with the white flowers and honeyed characteristics of its grape varietal. An excellent summer wine that is incredibly drinkable!

2011 Vouvray Cuvee de Silex, Domaine Aubuisieres Loire £39

Now this is a vouvray - mineral and white peach aromas dance from the glass leading to a lime and green apple sensation that is clean, sophisticated, round and complex with a medium-long finish. Refreshing and elegant, this Chenin blanc will pair exceptionally well with fish, cheese and crustacean dishes.

2005 Saumur Vieilles Vignes, Langlois-Chateau Loire £42

Made from a particular gnarly old vineyard this is an extraordinary wine and the definition of Chenin Blanc. Honeyed and floral with powerful fruit, well-judged oak and a herby hazelnut hint.

2003 Vouvray Moelleux (sweet), 'Le Haut-Lieu', Domaine Huet Loire £50

2003 was an exceptional vintage for Domaine Huet and the Le Haut-Lieu is a 9 hectares vineyard of deep soil, with predominantly brown clay and is known for its supple wines. This tasting note from the Wine Spectator sums it up perfectly "Wonderfully creamy, with guava, mango, green tea, ginger and honey notes that glide along while fligreed acidity and fine minerality chime in on the finish. Starts with lush fruit, but leaves an elegant impression behind." 93/100 It is now its pomp so catch it while you can!

1986 Vouvray Moelleux (sweet), 'Clos de Bourg', Domaine Huet Loire £90

This tasting note is from Loire expert Richard Kelly, who tried this wine in 2010 - "A true expression of Vouvray. Evolved, but with lots of freshness and aromas of honeycomb. Complex, attractive and rich on the nose. This is lovely. There are some complex-inducing gunflint-reductive elements remaining. Very delicate on entry with lovely racy acidity. Delicate through the palate. Clean, with good length and balance."

Rhône Valley

2014 Cesar Blanc, Domaine Roche Audran Rhône £42

2011 Les Vignes d'Alexandre Blanc, Domaine Chante Cigale Rhône £45

Deeply coloured, typically warm fruit from the southern Rhone with notes of grilled almonds. The palate follows the nose with full flavoured and full bodied tones with a long, powerful finish.

2011 Solitude White, Domaine de la Solitude Châteauneuf-du-Pape £56

2012 Solitude White, Domaine de la Solitude Châteauneuf-du-Pape £56

An amazing blend of 55% Clairette, 20% Roussanne, 15% Bourboulenc and 10% Grenache blanc.

Aged on its lees, this complex, perfumed white Rhone from a stellar estate.

2010 Châteauneuf-du-Pape Blanc, Chateau Fortia Châteauneuf-du-Pape £62

Made from 60% Roussanne, 30% Clairette, 10% Grenache Blanc. Vibrant, incisive aromas of lemongrass, green apple and minerals, with a hint of smoky herbs. Very fresh citrus and orchard fruit flavors offer impressive punch and clarity without any impression of weightiness. The finish repeats the lemongrass note and clings with good authority and spicy persistence.

2007 Cuvée Barberini Blanc, Domaine de la Solitude Châteauneuf-du-Pape £82

Wow, this blend of 85% Roussanne and 15% Clairette is deliciously complex and only made in the best years. Its aromas are of flowers and honey, with a subtly hint of toast; on the palate, violets and minerals give onto a very long finish.

Domaine Georges Vernay

Georges Vernay is known affectionately as ‘Le Pape de Condrieu’ because it almost single handedly rescued the appellation of Condrieu from obscurity. Indeed the name George Vernay commands universal respect and adulation amongst the producers of the region. Under Georges Vernay’s management, the domaine has contributed so much to keep Condrieu on the map, especially during the 1960s’ when the appellation covered only 8 hectares, that talking of Condrieu and not mentioning Domaine Georges Vernay could be like going to Jerusalem and not visiting the Church of The Holy Sepulchre, in other words a terrible mistake.

Today managed by George’s daughter Christine and her husband Paul Ansellem, the domaine covers vineyards in Condrieu, Côte-Rôtie and Saint-Joseph appellations. In Condrieu, three cuvees are made from vineyards situated in Condrieu, the heart of the appellation, on south to southeast facing steep slopes, and all express the purest; most restrained expression of the Viognier grape.

Côteau de Vernon, created in 1940 by Christine’s grand-father Francis, is the reference amongst all Condrieu: 60 years old vines on decomposed granite locally called “gore”, is a wine of great personality and definition.

Chaillées de l’Enfer, made from 50 years old vines. Chaillées is the local name for the small steep terraces. This is an early ripening vineyard and yields a wine which has more opulence, richness than the Côteau de Vernon

Terrasses de l’Empire, made from 40 years old vines is a great introduction to Condrieu and seduces with richness and elegance.

| 2013 | Chassagne-Montrachet, Domaine Jean-Marc Morey | Burgundy | £60 |
| | Jean-Marc, now ably assisted by his daughter, Caroline, is really back on form. After a run of tragedies in the early 1990's (when he lost his wife to a tragic illness and, shortly after, an old friend and employee was killed in a tractor accident) Jean-Marc has rebuilt his life and has re-emerged as one of the leading lights in the village of Chassagne. Using only indigenous yeasts for the fermentation, maximum lees-contact prior to the first racking, 15% new oak casks and, above all, early bottling in September, this father and daughter team have managed to achieve a range of reds and whites that exhibit a purity of rich fruit (coupled with a mouth-tingling freshness) that is rare to find. | | |

Lovely shape and intent. And what length. A stunner! | | |

Cote de Beaune, Burgundy Continued

2013 Volnay 1er Cru 'Clos des Chenes', René Monnier	Burgundy	£66
This is a rich, silky Volnay, aged for 16 months in oak - of which one third is new. The wine shows wonderfully pure Pinot aromas of cherries and spice, with overtones of discreet oak.		
2009 Pernand-Vergelesses Les Vergelesses 1er Cru, Chanson	Burgundy	£69
For me this is one of the wines of 2009 vintage and definitely the pick of the Chanson offerings. Intense aromas of peony, preserved red berries (strawberry) and liquorice with delicate vanilla note. Concentrated, round and complex. Beautiful aromatic combination of fruit. Well-integrated oak note and well-shaped tannins.		
2010 Beaune Teurons 1er Cru, Domaine Chanson	Burgundy	£75
This is a really pretty colour in the glass, having a bluish cast to the beautiful ruby hue. Nose is pretty, too, of blue fruits. Then the palate is backward, but still manages to be both juicy and integrated, revealing superb subtlety and balance. A finely textured wine and there's peppery spice beneath. Very long.		
2002 Chorey-Les-Beaune, Domaine Tollot-Beaut	Burgundy	£85
Tollot-Beaut were among the group of pioneering Burgundians who started producing and bottling their own wines in the early part of the 20th Century. They employ twice as many people per hectare than any of their neighbours to restrict the vigour of the vines and therefore increase the chances of ripe concentrated grapes being produced every year. The wines remain respectful to their origins while sharing characteristic spicy, toasty and cherry fruit flavours. This 2002 is just reaching its peak.

2014 Chassagne Montrachet 1er Cru les Champs Gains, Domaine Sylvain Morey	Burgundy	£88

2005 Corton Grand Cru, Vallet Frères	Burgundy	£135
Corton is the only Grand cru in Beaune and what a magnificent wine this is - powerful, majestic and full-bodied as ever. From the highly acclaimed 2005 vintage and drinking superbly at the moment.		
2005 Beaune Toussaints, Nicholas Potel, Jeroboam, 300cl	Burgundy	£395
Now this a party drink - 4 bottles in a bottle and will be the centre piece of your occasion. From the outstanding 2005 vintage it offers smooth and supple favours with marvellous refreshing mineral aspect which keeps these wines lively and dynamic.

Cote de Nuits, Burgundy

2010 Pinot Noir, Chanson **Burgundy** **£36**

This is a lovely soft easy drinking pinot from the House of Chanson

2006 Vosne-Romanée, Domaine Faiveley **Burgundy** **£89**

2010 Nuits St George 1er Cru Clos de la Marechale, Jacques Mugnier **Burgundy** **£99**

The alluring perfume here is seriously expressive - more like a great Chambolle than a Nuits, but with a tell-tale Nuits grip. The palate has serious freshness, depth, complexity and a wonderfully long finish, all combined with the smooth texture. We are seeing the maestro that is Frédéric Mugnier really getting to grips with this vineyard

2005 Morey St Denis, Vallet Frères **Burgundy** **£112**

Morey St.Denis sits neatly between Gevrey-Chambertin and Chambolle-Musigny, yet has little of the renown of those villages. But this 2005 is a stellar wine from the best vintage of the last 20 years. Oak intergrated nicely - rich, concentrated and voluptuous. Full body. Splendid rich fruit. Lots of energy. Complex, harmonious and very high class.

2005 Charmes Chambertin Grand Cru, Vallet Frères **Burgundy** **£140**

There are eight grand crus in Gevrey-Chambertin, which is the most of any village in Burgundy. Charmes-Chambertin is the most forward of these Grand Crus, and also the most feminine, with aromas of violets, raspberries and a texture which can be velvety or even silky smooth. This Charmes from the famed 2005 vintage has spicy sandalwood and cedar aromas that are followed by cherry and woody notes in this medium-bodied red. Silky smooth and supple.

2002 Clos de la Roche Grand Cru, Jean-Claude Boisset **Burgundy** **£155**

Clos de la Roche is a highly-regarded Grand Cru of 16 hectares in Morey-Saint-Denis. `La Roche` takes its name from a rock used in Celtic times for rituals. This Cru produces Morey's most robust wines. This wine has a fine dark colour with ruby red reflections. On the nose it has aromas of ripe blackcurrant and plenty of spice. The palate is very mineral with ripe blackcurrant fruit and the tannins are now soft and rounded. Long finish.

2001 Clos Vougeot Grand Cru, Francois Lamarche **Burgundy** **£165**

Most of the wine produced in this small village comes from one single walled grand cru vineyard, the famous Clos de Vougeot. The vineyard in its present form dates from 1336 (when it was first planted by monks of the Citeaux) although it was not until the following century that it was entirely enclosed by stone walls. Clos de Vougeot is the smallest commune and largest clos in the Cote d'Or. It consists of 50 hectares of vineyards owned by 82 owners, with six soil types. This 2001 offering is truly charming, slightly vanilla at first, then moving towards aromas of fresh raspberries of great purity, then notes of musk and soft spices. The mouth is sumptuous, possessing an extraordinary velvetiness. The palate is rich in aromas - red fruits, then cinnamon, then butterscotch - almost creme brulee. Almost infinite length.

Loire Valley

2002 Sancerre Rouge 'Le Chene Etienne' Henri Bourgeois **Loire** **£95**

Bright garnet with red tints. A genuine basket of red and black fruits with hints of game and spice. On the palate, its ampleness and structure are surprising and the tannins are very well assimilated

Beaujolais

2012 Beaujolais Lancie, Louis Latour

Beaujolais

£27

The vineyards of Lancié are blessed with exemplary conditions for producing fine Beaujolais. Bordered on three sides by renowned Crus - Moulin-à-Vent to the north, with Fleurie on its eastern flank and Morgon as its immediate southern neighbour – the village of Lancié sits on the same granite layers and naturally enjoys the same exposure and easterly orientation afforded by the first gentle slopes of the Beaujolais hills. Maison Louis Latour has always been careful to select those wines vinified in a traditional manner, thereby yielding rich Beaujolais wines with much character. Beaujolais-Lancié is no exception, possessing an intense, scented bouquet coupled with rich flavour and persistent fruity aftertaste.

2011/12 Fleurie La Madone, La Reine de L'Arenite

Beaujolais

Heady perfume of freshly picked irises and peonies. The fleshy luscious red berry fruit flavours are typically vivacious and are backed up with a touch of spice and good depth.

2010 Brouilly Les Saburins, Louis Latour

Beaujolais

The name and reputation enjoyed by Brouilly is a fairly recent phenomenon. This 'Cru' wine is produced from grapes grown on the ideally situated southerly facing pink granite slopes which gain maximum exposure to the sun's warming rays, as a result the gamay fruit produced reaches maximum ripeness. This Brouilly is dark deep red in colour. The nose is fragrant with plum, clove and liquorice. On the palate it is round with resinous hints and again, notes of clove on the finish.

Bordeaux at a Glance

Bordeaux is located in south-west France, close to the Atlantic Ocean and is warmed by the Gulf Stream. This location means it enjoys a mostly mild, maritime climate. There are 120,630 hectares under vine, almost all of which produces wine of Appellation d'Origine Contrôlée (AOC) quality, making it the largest producer of AOC wine in France, representing 1.5% of the world's total vineyard area.

The vineyards lie around the confluence of the Dordogne and Garonne rivers with the Gironde Estuary. These waters exert a significant influence on both the climate and the soil structures of each sub-region in the appellation, by virtue of their sedimentary deposits. Those vineyards lying to the west of the Garonne and Gironde are deemed to be wines of the Left Bank, those to the east, Right Bank.

These two banks differ mainly in soil composition. On the Right Bank, clay, limestone and sand prevail, all of which are more suited to Merlot. On the Left Bank, gravel predominates, allowing Cabernet Sauvignon to thrive.

2008 **Château Cissac Cru Bourgeois** Haut-Médoc £49

A scrumptious Cru Bourgeois with plenty of juicy, chunky blackcurrant fruit, firm tannins and fine length. Cissac's new style has good balance, and is no longer overwhelmed by the tannin levels of pre-2000 vintages.

2003 **Château Poujeaux** Moulis-en-Médoc £55

This succulent Poujeaux boasts a deep ruby/purple color, medium to full body, and full throttle, sweet chocolatey/black cherry fruit intermixed with cassis, crushed stones, and vanilla. Dense and chewy, it is irresistible drinking for the price!

2008 **Les Allées de Cantemerle** Haut-Médoc £58

This second wine of Château Cantemerle is mainly made from the château's young vines, and is made like its elder brother. Les Allées de Cantemerle has the same personality as the grand vin, but a shorter ageing potential and therefore ready for drinking between now and 2018.

Lacking neither in personality or promise the 2008 is much better than its status as a second wine suggests. It has substantial soft tannins, a creamy palate and a lively, clean finish with lingering notes of coffee.

2009 **Les Allées de Cantemerle** Haut-Médoc £69

"This is unquestionably the greatest Bordeaux vintage I have ever tasted." Robert Parker about the 2009 Bordeaux vintage! And this beauty lives up to its billing with blueberry and fresh mushrooms, with hints of earth. Medium-to-full body, with medium chewy tannins and a lovely juicy finish that lingers!

2008 Pavillon de Poyferré Saint Julien £88

From the fruit of Leoville-Poyferre's younger vines in the heart of St Julien and mirroring the style of its big brother, the Pavillon is strikingly pure, refined and a beautiful expression of the very best characteristics of a 2nd wine from a Cru Classé estate. Deep rich dark berry fruit aromas, this is beautifully perfumed on the nose with layers of chocolate and violets. In the palate it is rich and succulent with finely tuned tannins providing a natural robustness and structure. Masses of class with a long and complete finish.

2011 La Reserve de Léoville Barton Saint Julien £85

2009 La Reserve de Léoville Barton Saint Julien £95

This is plush and inviting, with warm fig sauce, plum cake and blackberry cobbler notes laced with charcoal and sweet spice. The long finish is filled with tar and tobacco, but the mouthwatering acidity makes this inviting now. 91 points Wine Spectator

2007 Château Léoville Barton, 2ème Cru Classé Saint Julien £175

The 2007 Léoville-Barton is more feminine than usual with lovely charm and finesse, this Cabernet Sauvignon-dominated (70%) wine has harmonious, focused black cherry and blackberry fruit supported by firm but supple tannins and an impressive minerality. Creamy and restrained it has the cedar and leather notes of great St Julien. Like a finely tailored bespoke suit, this Léoville-Barton is perfectly judged and as classy as ever.

2006 Château Talbot, 4th Cru Classé Saint Julien MAGNUM £280

2009 Château Léoville Barton, 2nd Cru Classé Saint Julien £295

This is powerful Cabernet, with gutsy weight, but also polished feel to the fresh plum, warm blackberry sauce, bitter-sweet ganache and roasted apple wood notes. Long and tarry through the finish, but still invigorating despite its heft. 95 Points Wine Spectator and Number 6 in the Top 100 Wines of 2012

Margaux

2011	La Réserve d'Angludet	Margaux	£59
2008	La Réserve d'Angludet	Margaux	£65

La Réserve d'Angludet is the new name that we have given to the second wine from Château Angludet. While it is true that the vines are young, the stock available today is of much better quality than previously. This makes for more efficient vine plants which are able to yield fruit more rapidly. This is why today more than ever, La Réserve d'Angludet offers the best quality for price in the entire Margaux appellation, offering dazzling aromatic expression and gentle extract, which is sustained yet delicate.

2012	Brio de Cantenac Brown, Château Cantenac Brown	Margaux	£75
------	--	---------	-----

This superlative 2nd wine of Château Cantenac-Brown is a rare beast indeed - with only 2500 cases made each year! Aromas of pencil-lead and cedar. Smooth and silky with firm tannins and soft, cassis flavours. A subtle, well made and altogether a rather morish glass of wine.

2009	Château Brane-Cantenac, 2nd Cru Classé	Margaux	£145
------	--	---------	------

A spectacular effort from this estate rivaling their 2005, but more flashy/flamboyant, this dark ruby/purple wine has a strikingly intense nose of licorice, flowers, plums and dark berries. Medium to full-bodied, very approachable and silky, this suave, very sexy wine can be drunk early on as well as aged for 20+ years. 95pts Robert Parker - Wine Advocate - February 2012

2004	Château Cantenac-Brown, 3rd Cru Classé	Margaux	£125

Pauillac

| 2007 Dauphin de Grand Puy Ducasse | Pauillac | £65 |
| <p>This is the sensational 2nd wine of Château Grand Puy Ducasse. Château Grand Puy Ducasse is a frequently overlooked Pauillac 5ème Cru Classé property that produces fine quality claret at very reasonable prices. It has extensively replanted in the vineyards, and built a new vinification cellar. Grand Puy Ducasse has 45 hectares of well-sited vineyards, one parcel on a gravel plateau near Batailley, and another adjacent to Lafite-Rothschild and Mouton-Rothschild. The 2007 is intense in colour with fragrant ripe blackcurrants on the palate and excellent oak intergration that leads to a lingering finish.</p> | | |
| 2009 Château Haut-Batailley, 5th Cru Classé | Pauillac | £110 |
| <p>This is a very classy wine. Succulent with an aromatic, cassis perfume and a real depth of dense, earthy blackcurrant fruit, this has glorious texture and a high level of beautifully ripe tannins. A lovely mineral freshness provides perfect balance. Without doubt one of the best value wines of the superb 2009 vintage.</p> | | |
| 2006 Château Batailley, 5th Cru Classé | Pauillac | £125 |
| <p>Named after a `bataille` that was fought here between the French and English (who else) 600 years ago, Batailley has once again lived up to its reputation of offering good value, early drinking, quintessential Pauillac. Made from 73% Cabernet Sauvignon, 23% Merlot, 3% Cabernet Franc and 1% Petit Verdot, its toasty, ripe plum and cedar nose leads on to a palate with vivid cassis and raspberry fruit, creamy vanilla oak and a lovely long finish. Tried, trusted and adored, Batailley has produced another sterling effort in 2006</p> | | |
| 2009 Château Batailley, 5th Cru Classé | Pauillac | £125 |
| <p>Brilliant, vibrant, with an almost electric precision on both the nose and palate, Ch. Batailley's 2009 is quite amazing! It has great poise and elegance with lovely fresh blackcurrants on the nose and fine raspberry and blackberry fruit on the palate, mingling harmoniously with an earthy minerality. This is a powerhouse, with an underlying sophistication and presence suggesting to me this is going to be a legendary Batailley. Glorious!

| <p>Château Pichon-Longueville Baron is one of Bordeaux's most illustrious "super seconds" and its 73-hectare vineyard (70% Cabernet Sauvignon, 25% Merlot, and 5% Cabernet Franc), runs adjacent to that of Château Latour and lies on deep gravel beds. This estates wines need ten years of cellaring before drinking so this 2005 is just about ready! Its a sleek, sexy and hedonistic wine, with an intoxicating perfumed nose and a powerful, velvety palate of black cherries. Ripe, polished and minerally this wine is pure Pauillac. The 64% Cabernet Sauvignon is unsurprisingly to the fore, with the small berries bestowing great concentration and beautiful pure fruit on this wine. This is another fine performance set to confirm Pichon-Baron's position at the top of Bordeaux's echelon.</p> | | |

Pauillac Continued

2009 Château Pichon Longueville Lalande, 2nd Cru Classé Pauillac **£375**

Pichon-Longueville Lalande is not as powerful or as tannic as some its Pauillac neighbours and this is mainly because of its relatively high Merlot content. In the best years, such as this 2009 or the 1995 below it is one of the most exotic and voluptuously scented wines of the Médoc. This 2009 has been talked about on the same level as 1982 and it really is an epic wine. The nose is incredible with a complex mix of spice, currants, minerals and flowers. Perfect tannins with exceptional mouthfeel of mocha, pencil, tobacco and black fruits. This is a beautiful wine and is one of this chateaus best ever.

1995 Château Pichon Longueville Lalande, 2nd Cru Classé Pauillac **£450**

Château Pichon-Longueville Lalande is one of the most important Super Seconds and has made tremendous strides in the last 20 years. This is largely due to the energy, drive and ambition of May-Eliane de Lenquesaing, who took over the property in 1978. This 1995 is now perfectly mature and is an exquisite example of this chateau. Think dark chocolate, coffee, cherry and cassis with blockbuster aromatics of cedar, black fruits and toast.

2003 Château Mouton Rothschild, 1er Cru Classé **Pauillac** **£895**

2008 Château Lestrille Capmartin **Bordeaux** **£35**
This wine is exactly what a young Bordeaux should taste like! an easy drinking wine skilfully blended to ensure consistency and quality. It displays notes of ripe red fruit, toast, coffee and wood spice. It's finish is long, with well integrated tannins

St Emilion

2013 Château La Fleur Grands Landes **Montagne St. Emilion** **£35**
This is a wonderfully, smooth, plum-scented claret, with wonderful spicy hints. Like a fine Saint-Emilion, but at a fraction of the price, this creation is a credit to winemaker Isabelle Fort. The wine is made from 80% Merlot and 20% Cabernet, with a delicious touch of oak.

2010 Château Fleur de Lisse St Emilion **St Emilion** **£40**
This classic St. Emilion is born from old vines and has alluring aromas of fruit and licorice with a rounded, full mouth feel with soft tannins. Well balanced and very drinkable.

2010 Château Cruzeau St. Emilion Grand Cru **St. Emilion** **£52**
A beautiful dusky red robe, an expressive nose of small red berries, vanilla and grilled pepper notes. On the palate one finds intense red fruit flavours with rich, supple tannins. Its freshness, vivacity and length make this Saint Emilion very accessible for all.

2010 Château Fleur de Lisse St Emilion Grand Cru **St. Emilion** **£65**
A fantastic value Grand Cru with a smooth, ripe and rich mouth feel with red berry and earthy notes through to a balanced and lingering finish

2006 Château Bergat St. Emilion Grand Cru Classé **St. Emilion** **£99**
The Chateau Bergat was named after a rock that has carried this name since time immemorial. The vineyard spreads over the slopes of this sheltered valley, ending at La Gaffelie grave and Ausone. This privileged exposure (exposure at midday) means that the grapes receive the sun's rays from sunrise to sunset, sheltered from the North and West winds by the battlements and ruins of St. Emilion.
The 2006 is a rich, textured and complete wine with excellent fruit, velvety tannins and good length

2006 Château Trottevieille AC 1er Grand Cru Classé **St. Emilion** **£225**
Dense ruby/purple with melted licorice, spicy and toasty oak, generous levels of black cherry and black currant fruit jump from the glass of this elegant, dense, powerful, yet well-balance wine. Trotte Vielle is a property to watch, as proprietor Philippe Casteja is pushing quality to the next level. 91+ points Robert Parker, Wine Advocate #181

Lalande-de-Pomerol

2006 Château les Hautes Tuileries **Lalande-de-Pomerol** **£46**

This delicious 2nd wine from Château Les Hauts-Conseillantes is a meaty, silky, supple wine with oodles of red fruit aromas and a harmonious fruity finish. 2006 was a blend of 70% Merlot & 30% Cabernet Franc & Cabernet Sauvignon

2010 Château les Hautes Tuileries **Lalande-de-Pomerol** **£46**

Château Les Hautes Tuileries 2010 Lalande-de-Pomerol is the second wine of Château Les Hauts-Conseillantes: a soft, berry-flavoured assemblage of 75% Merlot and 25% Cabernet Franc. Hand harvested grapes are vinified without oak, giving this claret elegant, spicy plum flavours reminiscent of nearby Pomerol.

Pomerol

2009 Château de Valois **Pomerol** **£95**

Château de Valois 2009 is an intense, modern style of Pomerol, made from 75% Merlot and 25% Cabernet Franc. The wine is aged in oak barrels (35% new) for 14 months before bottling. This is an exuberant, voluptuous claret with plum and vanilla spice flavours.

2007 Château du Domaine de L'Eglise **Pomerol** **£120**

Domaine de l'Eglise lies next to Pomerol's church, not far from Château Petrus and is the oldest estate on Pomerol's famous plateau. It has been producing some seriously classy, drinkable wines for numerous years.

"Perfumed, pretty aromas of red fruits and chocolate lead to a medium body, with very fine tannins and a lovely, fruity finish. Balanced and seductive." 87 points James Suckling, Wine Spectator 2010

2009 Château du Domaine de L'Eglise **Pomerol** **£120**

"Floral and aromatic, with blackberry and raspberry. Full and silky, with very fine tannins and pretty fruit. Like the finesse and refinement. But then it grabs you" 89-92 points James Suckling, Wine Spectator

1983 Château La Grave Trigant **Pomerol** **£185**

A lovely mature Pomerol. Tasted in 2012 and it was still fresh but still with rich fruit. Ripe and plummy with excellent balance and poise.

1997 Château Petrus **Pomerol** **£1500**

Pétrus, one of the world's rarest and most expensive wines was virtually unheard of 30 years ago. It was only when the Moueix family bought a half share in the property in 1962 that its true potential began to be fully realised. The 11.4 hectare vineyard is located on a plateau on the highest part of Pomerol in the far east of the appellation. The topsoil and the subsoil at Pétrus is almost all clay (in neighbouring properties the soil is a mixture of gravel-sand or clay-sand) and Merlot flourishes in this soil. Pétrus' vineyard is planted with 95% Merlot.

The vines are unusually old and are only replanted after they reach 70 years of age. The grapes are hand harvested only in the afternoon, when the morning dew has evaporated, so as not to risk even the slightest dilution of quality. The grapes are fermented in cement vats and the wine is aged in 100% new oak barrels for 22-28 months. It is bottled unfiltered.

Pétrus is extraordinarily rich, powerful and concentrated, often with characteristics of chocolates, truffles, Asian spices and ultra-ripe, creamy, black fruits. Petrus is usually approachable after a decade or so in bottle, but the wines from the very great-est years will continue improving for many more years.

"This is a forgotten Pétrus. Good dark color, with lovely plum and light raspberry aromas. Full-bodied, with silky tannins and a fresh, fruity finish. A beauty. Fresh and long" 92 points James Suckling, Wine Spectator

Totally passionate about his product, wine in general and always trying to "push the envelope" in terms of experimentation. This special cuvée Visan is extremely well crafted and represents excellent value for money. The best of his Grenache goes into this wine and comes from the rather amusingly named plot of vines called Dodo - which is perched high on a hill in Visan.</p> | | | |

2012 Châteauneuf du Pape, Domaine de la Solitude **Châteauneuf-du-Pape** **£65**

Full-bodied, intense blend of 55% Grenache Noir, 25 % Syrah, 15% Mourvèdre and 5% Cinsaut.

2008 Châteauneuf du Pape, Chante Cigale **Châteauneuf-du-Pape** **£65**

Domaine Chante-Cigale is owned by the Favier-Sabon family - it's been in their hands for generations and is one of the oldest in the region - and occupies some 40 hectares comprised of different parcels of land around the village of Chateauneuf-du-Pape, located between Orange and Avignon. The wine has lots of warm red fruit and damson aromas, with cinnamon, spices and jam but also concentration on the palate; then liquoricey richness and elegance to finish.

2004 Châteauneuf du Pape, Domaine la Roquette **Châteauneuf-du-Pape** **£69**

Farmed on soils which are both sandy and pebbly, La Roquette is a poised and complex wine. With 70% Grenache providing the sweet fruit and a balance of Syrah and Mourvèdre adding structure and a savoury note, this is a richly textured wine with a silky tannic backdrop and an engaging finish.

2005 Cuvée Barberini, Domaine de la Solitude **Châteauneuf-du-Pape** **£82**

"Densely packed, delivering layers of fig and black currant fruit, hoisin sauce, melted licorice and black tea. The long, authoritative finish pumps with muscle and dark fruit and tar notes. Grenache, Mourvèdre and Syrah."

93pts Wine Spectator, June 2009

2006 Châteauneuf du Pape l'Accent, Domaine la Roquette **Châteauneuf-du-Pape** **£89**

Remarkably intense flavours of kirsch and black cherry combine with a fundamental elegance and an astonishing purity in this incredible 80-year old vine Grenache. Rated 92 points by Wine Spectator

2007 Châteauneuf du Pape, Chateau de Beaucastel **Châteauneuf-du-Pape** **£149**

An expansive palette of grape varieties adds to the ensemble of Beaucastel's Châteauneuf-du-Pape in 2007, be it the white pepper from the Counoise, the hedgerow from the Cinsault, the notes of summer pudding from the Syrah or the pure red berry fruit from the Grenache. It is however the power of the dominant Mourvèdre with its notes of charcuterie and bacon rind, which intimates longevity. Rated 96/100 by both Wine Spectator and Robert Parker

1997 Hermitage La Chapelle, Paul Jaboulet Aîné **Northern Rhône** **£156**

Considered by Paul Jaboulet to be on the same pedestal as his hallowed 1990. Intense bouquet exhibits plenty of ripe blackberry and cherry fruit, in addition to spicy, mineral characteristics. There is considerable weight and volume. It has mellowed over the years and we are delighted we picked up a case of 6(now 5!) for everyone to enjoy!

2005 CNP Cuvée de la Reine des Bois, Dom. de la Mordorée **Châteauneuf-du-Pape** **£160**

Since 1996, their Chateauneuf du Pape Cuvee de la Reine des Bois has been one of the stars of the vintage. The 2005 Chateauneuf du Pape Cuvee de la Reine des Bois boasts a dense purple color, a full-bodied, opulent style, moderately high tannin, sensational concentration, and abundant aromas and flavors of spring flowers, blueberries, blackberries, cherries, and spice. It is a meaty, fleshy, tannic effort that brings to mind the 1998. A brilliant wine for the vintage, it should be exceptionally long lived. This is an estate that was a no-brainer for inclusion in my recent book on the world's greatest wine estates. Robert Parker 95pts Wine Spectator

2005 Hermitage Rouge, Domaine Jean Louis Chave Rhône £555

The Chaves have been growing vines on the famous Hermitage hill for over 500 years. Gérard Chave took over from his father in 1970 and rapidly achieved megastar status due to the extraordinary quality of his wines. The estate is currently under the helm of University of California Davis graduate Jean Louis Chave, although his father Gerard still plays an active role. This is one of the wines of the world and carries a price to match - but what price perfection? Chave's Hermitage is almost always one of the candidates for the 'wine of the vintage' title, and in one such as 2005 when the conditions are beautifully suited we are destined to be able to enjoy a wine of exceptional quality.

This is Chave. This is Syrah. This is Hermitage. This is Perfection.

The palate is savoury and structured with fresh apple and citrus notes, as well as white peach and nice minerality. Complex and savoury with some nice matchstick reduction in the background.

Mas de Daumas Gassac

This famous Languedoc estate occupies an important place in the history of French wine. Back in the 1970s Mas de Daumas Gassac showed the world that serious wine could be made in the Languedoc, which at that time was fully given to 'bulk' production. We are delighted to offer a few older vintages.

Riesling reez-ling

- 2009 Reserve Riesling, Cave de Turckheim** **Alsace** **£26**
A classy dry white and typical of a fine Riesling - elegant fruit on the nose underpinned by mineral and slight 'petrol' aromas (the classical perfumed & 'stoney' oil trademarks when this grape develops in bottle), which broadens in the mouth yet the finish is crisp, steely and racy.
- 2012 Riesling, Dopff Au Moulin** **Alsace** **£30**
This fine stylish Riesling is delicately perfumed with both honeysuckle and citrus aromas. A tight palate follows with just the right amount of sweetness to give a textured mouthfeel with green apple and lime flavours. The finish is crisp, clean and racing. A bargain Riesling for those new to the variety and a steal for those who already know the beguiling beauty Riesling is.

Trimbach

The Trimbach family has been involved in making wine since 1626 and has, over thirteen generations, built an enviable reputation for the quality of its entire range. From the Pinot Blanc through to the iconic Clos Sainte Hune Riesling, the wines are considered the benchmark for quality, consistency and style.

The essence of Trimbach, with the obvious exception of the luscious dessert wines, is the traditional dry style in which the wines are made. Many Alsace houses are today making rather clumsy wines with an element of sweetness that detracts from their food matching suitability; not so with Trimbach, whose wines are pure, vibrant and refreshing. It is no accident that the Trimbach wines are listed in every single one of the 26 Michelin Three Star restaurants in France, and are present on the very best restaurant wine lists across the globe.

We are delighted to have secured a large parcel of Trimbach Riesling Clos Ste Hune from a private cellar

The 2010 Sonoma Coast Chardonnay is a blend of several of Flowers vineyards and has delicate aromas of white flowers, tangerine and coconut before opening up to green apples and crisp Anjou pear. Citrus and stone-fruit flavours develop on the palate with the characteristic lemon backbone of the Sonoma Coast.		
2011	Chardonnay, Far Niente	Napa Valley	£99

The combination of these spectacular vineyards results in the subtle, tropical flavors, complex aromas and uncommon richness that have long associated with Far Niente Chardonnay.

Kistler

Sonoma Coast

Kistler Vineyards are one of California's aristocrats. This is easily supported by less partial voice than our own: Robert Parker writes: "Every year the wines are brilliant. Given the breadth of Chardonnays and Pinot Noirs produced by Steve Kistler, he is the undeniable master of these two varietals in California". Stephen Brook: "I have yet to meet a Kistler Chardonnay that has failed to bowl me over". And Jancis Robinson: "I know I have gone on record as being no enthusiast of Chardonnay at its most basic.... but I can certainly appreciate great Chardonnays such as those of Coche- Dury in Meursault and Kistler in Sonoma as some of the best wines on the planet."

We are lucky to have recently acquired a small parcel of some aged Kistler Chardonnays we hope you can enjoy them before we drink them!

"A profound effort from the dynamic Kistler-Bixler duo is the 2002 Chardonnay Kistler Vineyard. Spectacular ripeness along with a liquid minerality give this large-scaled, bigger than life Chardonnay tremendous balance/equilibrium. This compelling, full-bodied, dense wine offers smoky hazelnut characteristics intermixed with oranges, lemons, tropical fruits, and hints of Grand Marnier as well as caramel. There is a lot going on in this full-bodied, concentrated yet impeccably well-balanced offering." 94-96 points Robert Parker

Winemaker John Alban is a legendary figure in the California wine industry for his pioneering of Rhone varieties. His wines are unforgettable, a wonderful fusion of huge richness and intensity with subtlety and sophistication. This Central coast offering is aromatic and floral. North County fruit brings rich texture and body while estate fruit adds floral notes, minerals and balancing acidity. It is 25% barrel fermented in a mixture of new and used French oak. This is an intense, full-bodied style with considerable weight, luscious and delicious.

97 points Robert Parker’s Wine Advocate

‘the 2013 White Wine Resiste is a sensational white from California that’s made from 45% Roussanne, 26% Chardonnay, 14% Petite Manseng, 10% Viognier and 5% Marsanne that spent 19 months in 46% new French oak and the balance in concrete eggs and used barrels. Possessing rock-star levels of richness and texture on the palate, with full-bodied depth and power that never seems heavy or cumbersome, it has classic SQN white notes of buttered golden fruits, honeysuckle, honeycomb, toast and white flowers. Unctuous, full-flavored and still lively and fresh, it needs 2-3 years of cellaring and will keep for two decades.’

2008 Cabernet Sauvignon, Silver Oak Cellars **Napa Valley** **£195**

A complex and refined wine that develops beautifully in the glass to reveal multi-layered nuances of aromas. It has a dark ruby colour and an enticing nose of cassis, black truffles and violets. 1999 Montebello, Ridge Vineyards **Santa Cruz Mountains** **£195**

“A wine of great balance, finesse and grace. Well-focused, the ripe, tart, rich blackberry and currant fruit is intense yet elegant, picking up earth, mineral and sage notes, and finishing with fine, well-integrated tannins. Cabernet Sauvignon, Merlot, Cabernet Franc and Petit Verdot.” James Laube, 92points, Wine Spectator

2011 Cabernet Sauvignon, Caymus **Napa Valley** **£145**

Owner and Caymus founder, Charles F. Wagner was one of the now legendary generation which established the new wave of Napa wineries in the 1970's. Caymus is consistently rated in the best wines in the world category and has twice been awarded the Wine Spectator's ultimate accolade of No.1 best wine in the world (with Special Selection 1984 and 1990) and twice second best. This 2011 Cabernet is a dark, scarlet red colour, with powerful aromas of sweet ripe cabernet grapes. Initial impressions are fantastically appealing, brooding to expansive textural sensations of finely grained cacao tannins. The whole of the wine is balanced, rich, expressive and impressively complex. The backbone of fine tannin and sweet ripeness is a carry-over from perfectly mature fruit. A must try wine in your lifetime!

2009 Cabernet Sauvignon, Far Niente **Napa Valley** **£150**

“Tight, complex and concentrated, this outstanding Cab harbors a pretty core of spicy currant, anise, tar, sage and cedar, turning supple and harmonious on the finish, where the flavors fan out and show remarkable depth and finesse.” 92 Points Wine Spectator

2010 Cabernet Sauvignon, Far Niente **Napa Valley** **£150**

2012 Napa Proprietary Red, Pahlmeyer **Napa Valley** **£295**

“All I wanted to do was to create my own ‘California Mouton’ – a rich, powerful Napa Valley Bordeaux blend, a wine that would drop wine lovers to their knees,” says winemaker Jayson Pahlmeyer.

The 1986 release was the realization of Jayson's dream. Anointed 94 points by a certain Robert Parker, it was the first of an extraordinary legacy of critically acclaimed wines.

2010 Phantom, Bogle Winery Clarksburg £48

2013 Pleiades, Sean Thackrey Marin £55

To quote Sean's back label: "The object of Pleiades Old Vines is to be delicious, delight the jaded, irritate the Wine Police, and go well with anything red wine goes well with. This edition is dominated by Pinot Noir along with Sangiovese, Viognier, Mourvèdre, Syrah and Petite Sirah to name but a few. Fragrant and voluptuous when first released, it will become far more subtle and complex with a year or two of bottle age, although such restraint might be too much to ask of most of us."

Syrah & Grenache

2011 Patrina Syrah, Alban Vineyards San Luis Obispo £89

2010 Patrina Syrah, Alban Vineyards San Luis Obispo £99

Honey infused fruits dominate the aromas, thick, juicy fruit with hints of lanolin, wet stones and lavender, and crisp, citrusy acids. The wine is full-bodied, dense, and chewy. What Alban especially cares about is its texture: dense and round without any edges.

2011 Reva Syrah, Alban Vineyards San Luis Obispo £175

2010 Reva Syrah, Alban Vineyards San Luis Obispo £175

2009 Reva Syrah, Alban Vineyards San Luis Obispo £195

2010 Orion Syrah, Sean Thackrey Marin £169

(Probably) Syrah from the Andrew Rossi vineyard in the middle of St. Helena in the Napa Valley, a legendary old vineyard with ancient and gnarled head-pruned vines over a hundred years old. This is where the varietal uncertainty stems from and some of the vines may be Durif. The colour is purple-black, aromas are of mint and blackberry notes with floral hints. Great intensity, full-body, big black fruit on the palate with tints of eucalyptus and minerality, tannin considerable but well-integrated and supple, lovely balance, elegant acidity and long length. This is one of California's classics.

2012 Syrah Le Pousseur, Bonny Doon Central Coast £59

Syrah & Grenache Continued

Sine Qua Non glory in their Californication. They produce wines that make no apology for not being from somewhere else. Grapes are picked late, alcohols are high, colours are saturated, intensity is off the scale. The wines have a joie de vivre, a cheekiness, and such sheer deliciousness that it takes a mean soul not to be bowled over by them. Manfred Krankl (who is Sine Qua Non with his wife, Elaine), is quoted as saying: “If you want to be true to terroir, you have to look at what you’ve got. We’ll never make a Côte Rôtie here. But you try to make the best Central Coast or Napa or whatever you want to call it. Within that context I want to make wines that are inevitably riper and larger scale than their European counterparts, but not obscene. I want them still to have elegance and nuance and layers to them, not be just plump and massive and powerful, but still have lightness to them, agility. Often times you hear people say Sine Qua Non wines are massive, but it depends on how wide you make the context. Compared to Beaujolais, yes, they’re huge. But compared to Barossa Shiraz, no, they’re not that big. Big is subjective. In a field of jockeys a guy who’s five foot eight can be pretty tall”. “My whole desire is to be truthful to California. I never wanted to be apologetic about the fact we make Californian wines. Full, ripe, flavourful wines which is much more the norm these days than it was 15 years ago.”

“To inherit a vineyard in Europe is like being in a prison. The best a person can do is not to fuck it up”. Making wines in Californian is more adventurous, he reckons.

2011 Syrah Dark Blossom, Sine Qua Non	Central Coast	£350
--	----------------------	-------------

Black pepper, plums, mint, savory herbs and new leather all burst from the glass in the 2011 Syrah Dark Blossom. Vivid and beautifully alive in the glass, it is one of the most varietally expressive wines I have ever tasted at Sine Qua Non. Deep, dark and totally sensual, the 2011 Dark Blossom is shaping up to be utterly magnificent. This is a dazzling showing from Manfred and Elaine Krankl. The 2011 is 84% Syrah, 8% Grenache, 4% Petite Sirah and 4% Roussanne, (including 17% whole clusters) mostly from Third Twin, Eleven Confessions and Cumulus, with just a dollop of fruit from White Hawk. 95-97 points Antonio Galloni

2011 Grenache Dark Blossom, Sine Qua Non	Central Coast	£350
---	----------------------	-------------

Dark cherries, plums, menthol, licorice and spices all explode from the glass in the 2011 Grenache Dark Blossom. A dark, brooding wine, the 2011 impresses for its power, depth and intensity. Layers of totally effortless, seamless fruit flow through to the huge finish. This is a stunning showing. The energetic, tense, mineral-driven style is a bit unusual for Sine Qua Non, but there is no denying the wine’s beauty. Simply put, the 2011 is drop-dead gorgeous. The blend is 75% Grenache, 12.5% Syrah, 11.5% Mourvedre and 1% Roussanne. In 2011 virtually all of the fruit came off of Cumulus and Eleven Confessions. Chardonnay shar -don-ay

2011 North Valley Chardonnay, Soter **Willamette Valley** **£69**

This Chardonnay is lightly oaked (10% new French oak, 30% 2-3yr old French oak) and is reminiscent of a top Chablis. Green-gold in colour, lime-zest, some tropical fruit and honey on the nose with a hint of vanilla and toast, a bright palate with citrus and fresh apple overlaid with a touch of honey and toast again with a pure finish.

Pinot Gris pee-no gree

2011 Pinot Gris, WillaKenzie Estate **Willamette Valley** **£49**

This is Frenchman owner Bernard Lacroute homage to Alsace. He has 18 acres of Pinot Gris planted with clones from the Alsace region and uses yeast from Alsace in the winemaking process - chosen to enhance the fruit's aromatics. Exciting aromatics include tropical fruits of ripe melon, lychee, passion fruit, papaya, mango and pineapple, with a hint of spice. The wine has a creamy texture with rich flavours of honey, juicy Asian pears, lemon meringue and fresh pineapple. There's a smooth transition mid-palate heading toward bright acids, which imparts a perfect balance of sweetness and acidity.

2011 Estate Cuvée Pinot Noir, WillaKenzie Estate **Willamette Valley** **£66**

Named after the marine sedimentary soil that defines it, WillaKenzie Estate is one of Oregon's top flight wine producers: a small, family-owned winery making wonderfully intense but balanced wines exclusively from the Pinot family of grapes from their own estate vineyards. This wine has a deep but bright garnet colour and offers complex aromas of rich red and black fruits with attractive floral tones and a touch of spice. Elegant yet concentrated, flavours of bright plum and cherry in the forefront augmented by red currants and blackberries, a smooth mouthfeel from well-integrated tannins and finely balanced acidity, and a long finish with hints of candied fruit and spice.

2010 Pierre Léon Pinot Noir, WillaKenzie Estate **Willamette Valley** **£89**

This youthful wine features a striking ruby garnet colour. Complex aromas of blackberry and red plum follow lively notes of black pepper, clove and forest floor. Red cherries and currants dominate the fruit components in the mouth while flavors of pepper and tobacco also emerge in harmony with the aromas. The texture is rich on entry and glides all the way to an impressively long, lush finish.

2010 Mineral Springs Ranch Pinot Noir, Soter **Willamette Valley** **£99**
Ruby red with brilliant clarity, aromas of spice, red raspberry and cranberry fruit and a classic Oregon earthiness. The entry is silken, even mouthcoating, and juicy, ripe berry flavours dominate the palate. Lively acidity and fine tannin are in elegant balance. Chocolate, earth and black fruits linger with pleasing persistence on a sleek framework.

2010 Aliette Pinot Noir, WillaKenzie Estate **Willamette Valley** **£99**
To our mind, Aliette is the best of WillaKenzie's single vineyard wines, consistently with fine tannins and an elegance which matches its generosity of fruit. This 2010 has an exceptional bouquet of dried violets, lavender, strawberry and hints of cedar. Balanced, supple and very expressive on the palate, it manages to be light and graceful yet powerful at the same time. Red currant, black cherry, raspberry, tea leaves and earth give this medium-bodied wine layers of complexity that linger on the palate for well over a minute.

2009 Mineral Springs Pinot Noir, Soter **Willamette Valley** **£145**
"2009 marks just the second bottling of Mineral Springs Pinot Noir and is sourced predominantly from our Heirloom clones found in an area near the crown of the property. We produced precious little of this wine - just a few hundred cases - and it speaks with a more singular, amplified voice as the purest expression of Pinot Noir from our vineyard."

2009 Vineyard Pinot Noir, Beaux Frères **Willamette Valley** **£153**
This wine is made from the fruit grown on the original estate vineyard. It consists primarily of Pomard & Wädenswil clones on their own roots planted between 1988 and 1995. The vineyard is farmed organically; Beaux Frères do not irrigate, and are beginning to follow the path of Biodynamic farming. This wine as always is 100% from the original estate vineyard. It exhibits a medium plum/garnet colour. The aromas are earthy - with underbrush and herbs playing off the dark fruit. Medium to full bodied, highlighting this vintage's hallmarks: low acidity and sweet tannin. It is silky and spicy with an earthiness comparable to a premier cru from the Nuits-St.-Georges. Normally these wines are Oregon versions of burgundies from the northern Côtes de Nuits, but this offering has a distinct earthiness that sets it apart from other wines.

2009 The Upper Terraces Pinot Noir, Beaux Frères **Willamette Valley** **£172**
The Upper Terrace Vineyard is planted on a steep South facing slope to Pinot Noir Dijon clones 113, 114, 115, 667, and 777 on three different rootstocks. The site has sedimentary soils and a slightly higher elevation than the original Beaux Frères vineyard. Medium ruby hued, this wine exhibits notes of red currants and sandy, loamy undertones. Medium bodied, spicebox, Christmas fruitcake and herbs. There is a depth and richness normally to be found in this vineyard planted to Dijon clones. This vintage shows a different side of this vineyard, one of elegance and light: the fruit profile is more one of red fruit than the normal dark fruit typical of this vineyard. Still complex and slow to reveal itself as this cuvée always is we are still enjoying watching this wine unwind and open up. Right now it is simply giving us hints of what is to come.

- 2010 Columbia Valley Merlot, Woodward Canyon** Columbia Valley £59
The wine shows extraordinary complexity, definition and focus. The ability to blend with such fantastic vineyards has produced a flavour profile of dried cherry, subtle oak, and coffee. I pick up notes of toasted coconut and vanilla in the aroma. Firm, mature tannins give this wine its backbone.
- 2010 Artist Series Cab. Sauvignon #18, Woodward Canyon** Walla Walla £79
A beautiful nose of spicy oak and cedar integrated with ripe black fruits and cherry. A firm rich mouth feel begins with cassis and blackberry leading towards chocolate and mocha. The finish is generous and long, yet there is still restraint.
- 2009 Columbia Valley Cabernet Sauvignon, L'Ecole No.41** Columbia Valley £99
Linseed oil, blackberry, cassis and leather aromas, flavours of ripe plum, currants and dark chocolate, very soft tannin indeed with a silky texture and an earthy, spicy finish.
- 2009 Walla Walla Cabernet Sauvignon, L'Ecole No.41** Walla Walla £99
With an elegant, old world structure, this sophisticated Cabernet shows aromas of dark fruit, earth, and fresh herbs. A seamless core of blackberry, plum, and dark cherry mingle with notes of tobacco and leather on a velvety tannin, richly structured finish.

Martinborough, North Island

Martinborough is the most southerly wine region on the North Island. A gorgeous village focussed on wine, surrounded by vineyards tended by small, frequently family-owned producers and with a climate and soil profile similar to Burgundy. This is one of the reasons it's no wonder Martinborough has excited the wine world. Acclaimed Pinot Noir, vivid Sauvignon Blanc, poised aromatics and elegant Syrah are all produced. The most southerly sub-region, with free-draining soils and a cool, dry climate.

"Medium ruby-purple in color, the 2011 Te Muna Road Vineyard "Block 16" Pinot Noir presents a slight stemmy, dried herb nose of red cherry and cranberry with some loam. Medium to full-bodied, it has a medium level of very fine-grained tannins, great fruit concentration, and a long finish with a savory, herbal lift. Only 130 cases are produced" 93 points, Robert Parker, Wine Advocate

Gladstone, North Island

Gladstone is located on the Southern tip of the North Island and is a much less well known area than its next door neighbour, Martinborough. Blessed with free-draining river terraces and a cooler climate with plenty of sunshine, Gladstone is a fast-growing sub-region with room to expand. Some clay amongst the stony silt loams suits the predominant Pinot Noir very well, alongside lively Sauvignon Blanc and impressive aromatics

Lebanon

Lebanon boasts probably the longest established wine-making heritage in the world. Vines of *vitis vinifera* are thought to have first been introduced in the region by traders from South Caucasus via Mesopotamia or the Black Sea.

The wines of Tyre and Sidon were famous throughout the Mediterranean. Wine was an important element of the Phoenician religion, and the Greek antiquity god Bacchus (Dionysus) is believed to have originated in the wine rituals of Canaan (the region roughly encompassing present-day Israel, plus coastal land from Syria and Lebanon). The Phoenicians, the ancient Lebanon inhabitants, as well as celebrated traders and sailors of the antiquity, played a key role in spreading wine consumption and viticulture throughout the Mediterranean.

The local wine trade has overcome several set-backs over the centuries. Production was curbed, albeit tolerated for religious rituals, when Lebanon was under the rule of the Caliphate. Winemaking blossomed in the late 1800s; in 1857 Jesuit monks planted Cinsaut vines from Algeria and founded Chateau Ksara in the central Beqaa Valley.

Gaston Hochar's celebrated Chateau Musar has been a late arrival in the scene, in 1930, but its rose rapidly to become one of the iconic Lebanese wines in the Western markets.

Giovanni Manetti's Chianti Classico is always a model of elegance and class. Firm yet well-integrated tannins provide the backdrop for expressive red cherries, licorice, tobacco and spices. It has great fruit and plenty of structure. Class Act.
- 2012 Chianti Classico Riserva DOCG, Castello Di Querceto** Tuscany £42
Lively cherry and raspberry aromas with notes of vanilla and exotic spices. Silky smooth with mouth-watering redcurrant and berry fruit flavours, subtle tannins and a lingering lightly spicy finish. Made from vines with an average age of 40 years.
- 2011 Nipozzano Chianti Rufina Riserva, Frescobaldi** Tuscany £45

- 2013 Campo di Sassi Rosso di Montalcino, Frescobaldi** Tuscany £46
One of only 2 Rosso di Montalcino to get an 'Outstanding' award in Aprils 2015 Decanter magazine tasting. Very juicy, clean and fresh. Campo ai Sassi Rosso di Montalcino displays the similar characteristics to Brunello, but in a more youthful, less complicated manner. It is produced from the same grape, Sangiovese, but from vineyards with vines that have very deep roots resulting in wines which are aromatic and elegant but less tannic than the Brunello.
- 2010 Chianti Classico Reserva, Agostino Petri** Tuscany £49
This is delicious stuff and is made from 90% Sangiovese and 5% each of Canaiolo and Cabernet Sauvignon, the wine is kept in small barriques for six months, then large botti for nine more. Spiced plum and ripe, dark cherry fruit flavours are underpinned by lively acidity and lovely fine tannins.
- 2010 Brunello di Montalcino, Fattoria dei Barbi** Tuscany £69
This is one beautiful Sangiovese from Barbi and a steal at this price. It takes a few minutes to open up but when it does you will be rewarded with dried fruit, cigar box, crushed mineral, plum, tar and cola. The wine puts on a beautiful display. I also loved the mouthfeel of this beautiful wine: It is tonic, tight and brimming with energy. Well-integrated oak notes give the wine a spot of softness and velvety spice.
- 2009 Brunello di Montalcino, IL Poggione** Tuscany £69
An excellent value Brunello from a very underrated vintage. Red berries on the nose plus herb and soil tones. Savoury palate with georgous flavours of berries, cedar and tobacco washing over your senses. Really excellent finish with spiced cherry lingering on the tongue. Very drinkable

2011 Vigna del Sorbo Chianti Classico Riserva Gran Selezione, Fontodi, Tuscany £99

The child of a warm vintage, the '11 Vigna del Sorbo is simply stunning, exquisitely balanced, unbelievably textured, it takes traditional Chianti and makes it monumental. It's the Chianti for wine-lovers who enjoy big wines, and its combination of piquant acidity, velvety tannins, juicy cherries and berries, striking minerality, seductive smoke and leather, and beguiling wildflowers gives Chianti Classico Gran Selezione a bold face.

1999 'Vigna del Sorbo' Chianti Classico Riserva, Fontodi Tuscany Jeroboam £350

2008 Brunello di Montalcino Riserva, Fattoria dei Barbi Tuscany £110

This Riserva of Brunello is made only in the best vintages from Barbi's oldest vineyards in Montalcino. The ageing in barrel and in bottle is longer than the one for the normal Brunello, thus the wine has a deeper concentration and a wider complexity of aromas. The nose is pronounced and complex, offering an entertaining array of red and black berry fruits, spices and oaky aromas. The palate is medium to full bodied with a richly complex middle and an everlasting, elegant finish. The tannic structure that dominated the wine in its youth is beginning to mellow and allow mature, secondary characteristics to show. A stunning wine with enormous appeal.

Poderi Colla, Alba, Piemonte

Based in the town of Alba, Poderi Colla today manage four estates across Piedmont. And whilst Poderi Colla do produce wines that feature grapes from different vineyards being blended together, the winemaking philosophy at Poderi Colla focuses heavily on minimal intervention in the winery, so that the characteristics of some of the best sites in Piedmont shine through in the resultant single vineyard wines.

The single vineyard “Dardi le Rose” site is one of the best sites in Barolo and has been deemed an important vineyard in the region for the past 140 years. The “Dardi le Rose” vineyards comprise six hectares of Nebbiolo planted on south and south-west facing slopes, 300-350 metres above sea level.

The Roncaglia Estate has long been renowned as one of the best vineyard sites in the whole of the Barbaresco zone of production. Planted on the south and south west facing slopes of this hillside estate, the Nebbiolo vines that are harvested to supply the fruit for this Poderi Colla Barbaresco “Roncaglia” produce limited yields of dense and concentrated fruit. A mix of Nebbiolo vine ages on the Poderi Colla “Roncaglia” Estate (the majority of vines are over 30 years old) mean that it is possible to craft Barbaresco with nuance and complexity.

Marchesi di Grésy, Martinenga, Barbaresco, Piemonte

The vineyards of Marchesi di Grésy have an ancient history; those that surround Villa Giulia, the family's hunting lodge on the Monte Aribaldo date back to Roman times. I was lucky enough to visit in early April 2012 and the Barbaresco's were extraordinary and come from one vineyard, Martinenga.

Martinenga is a 11 hectare vineyard of Nebbiolo considered to be one of the greatest single vineyards dedicated to the production of Nebbiolo in the Barbaresco D.O.C.G. The ideal southern exposure, the particular composition of the soil (blue marl) combined with the diligent work of Martinenga's vineyards staff produce fruit that is transformed into a Barbaresco of extraordinary class, race and finesse.

The Martinenga Barbaresco, of which we have 4 vintages is Marchesi di Grésy most important wine, it carries an elegance that comes from the vineyard. On the nose it offers sensations of sweet tobacco, leather and spice. It is also remarkably fresh and jammy, rich in structure with a good backbone and great harmony of flavours.

Barbaresco Gaiun was born in 1982 as a selection from a part of the Martinenga vineyard near Asili. It is only produced in the best vintages and has a more international feel as the wine is aged in French oak barriques. We are delighted to offer 2 great vintages.

2001	Barbaresco Gaiun, Marchesi di Grésy	Piedmont		£195

Barbaresco Camp Gros is the pride of the house Marchesi di Grésy, produced since 1978 and only in the very best vintages. It is made from a special selection of grapes coming from a small part of the Martinenga vineyard near Rabajà. This site offers the very best in terms of terrain, exposure and micro climate: factors of great importance that are transferred to the wine, giving us a product that takes on all the characteristics of great Barbaresco with the greatest level of harmony. Enjoy

Sassicaia, Tenuta San Guido, Bolgheri

Sassicaia is today one of the most sought after fine wines in the world. This is largely because of the vision, energy and drive of proprietor Mario Incisa della Rocchetta.

The Sassicaia estate at Bolgheri came from Mario Incisa della Rocchetta's wife's family who had owned land there since 1800. The name Sassicaia means place of many stones and the gravelly soil has been compared to those found in the Medoc. He planted Cabernet Sauvignon and Merlot and engaged the services of Pierro Antinori's winemaker, Giacomo Tachis. Sassicaia's first vintage was released to universal acclaim in 1968.

Sassicaia is now widely accepted as one of the world's greatest Cabernet Sauvignon wines and made history recently, being the first single wine to be granted its own DOC. The wines of Sassicaia combine intense notes of cassis and cedary elegance, with extraordinary power and strength.

Austria

Willi Opitz is one of Austrias most renowned winemakers and has garnered critical acclaim worldwide, not only for the very high quality of his portfolio, but for highly individual wines like the flagship Opitz One, a sweet red wine made from air-dried Zweigelt grapes. Other off the wall stunts like the release of a CD at the start of the 2000s that featured the orchestrated sounds of fermentation have raised the profile - and for a short time gave Opitz a hit in the music charts!

We are delighted to have a spread of Opitz wines and over the coming months will add more!

Amayna, Vina Garcés Silva, Leyda Valley, Chile

We are delighted that the wines Amayna are once again available in the UK. Founded in 1998 by Garcés Silva family, the winery is situated in the coastal valley of Leyda. It produces Sauvignon Blanc, Chardonnay, Pinot Noir and Syrah. While the essence of Leyda is a cool weather with strong influences of the ocean, the vinification techniques are those characteristic of the old world. A very limited production guarantees an extremely close attention to detail in all wines.

The range is extraordinary and a purity of flavour in each one of the wines. For the price they are without compare and the Barrel Aged Sauvignon Blanc is uniquely stunning.

Vina Casa Marin is owned and run with single minded determination by the indomitable Maria Luz Marin. The vineyards and winery are based in the small village of Lo Abarca, in the San Antonio Valley. The resulting single vineyard wines are quite unique in flavour and concentration. Casa Marin is widely regarded as producing the finest, most complex and most thrilling wines in South America.

2009 Casona Vineyard Gewurztraminer, Casa Marin San Antonio Valley £45

2010 Cipreses Vineyard Sauvignon Blanc San Antonio Valley £45

From the beginning the Cipreses block was designated for Sauvignon Blanc. The vineyard faces the towns of Lo Zárate and Lo Abarca and its rows run north to south. It is situated on a hillside facing the ocean with red clay soil with gravel, precisely because of its proximity to the ocean. The 2010 Sauvignon Blanc is dry/crisp on the palate with lean, fresh acidity, and lime and elderflower fruit followed up with firm minerality and peppery touch. Very long on the palate with a perfectly clean finish.

2009	Miramar Vineyard Syrah, Casa Marin	San Antonio Valley	£79
------	------------------------------------	--------------------	-----

The Miramar Norte vineyard block nurtures the Syrah vines fervently, which are able to withstand the extremely cold climate during the winter as well as winds throughout the year. It is composed of red clay soil of volcanic origin that allows for good drainage. The 2009 Syrah has deep black cherry colour with complex aromas reminiscent of ripe red berries & spices in harmony with mocha and toasty aromas. The mouth presents a great front-to-back seamlessness, with fine continuity and length. What gives this wine its length is the vibrant acid and balanced tannins.

2007 Lo Abarca Hills Pinot Noir, Casa Marin**San Antonio Valley****£79**

Pinot Noir thrives in the Lo Abarca vineyard block. The 2007 Pinot Noir is moderately dark in color with a bright red rim. Dark fruit aromas with some mulberry and black cherry tones in the main picture framed solidly by an envelope of black truffles and forest floor. The palate shows dark fruits and a rich textural, almost mocha, flavour enveloping a core of firm acid and solid, but broad and spreading tannins.

Germany

Germany's wines have elegance, depth and complexity second to none

Germany produces some of the world's greatest white wines from the Riesling grape. Since the beginning of this century Germany has had an incredible run of excellent vintages, top estate wines are at last fashionable and Riesling is finally getting the acknowledgment it deserves. Its touch of sweetness is underpinned by a racy acidity and a fresh purity of the fruit.

Germany is the seventh largest wine producer in the world. Its vineyards are centred around the major rivers, the Rhine and the Mosel as well as their tributaries. The continental climate with hot summers, cold winters and long, warm autumns is perfect for late-harvest wines. The finest wines are produced on steep, often terraced, south-facing vineyards close to rivers.

White grapes make up 85% of plantings, but reds are increasing. Riesling has a knack of maintaining its varietal character while reflecting the terroir of its site, so while all German Rieslings have that balance of nerve-tingling pure fruit and refreshing acidity, there are definite regional differences.

The steep slatey slopes of the Mosel Valley produce the lightest, most minerally Rieslings, with firm, steely examples coming from its tributaries, the Saar and Ruwer. The south-facing slopes of the Rheingau are drier and sunnier, so the wines are fuller. The underrated Nahe lies in between the Mosel and Rheingau both stylistically and geographically, while the large Rheinhessen region can produce firm, full and racy Rieslings. The Pfalz region further south is warmer, so the wines are richer.

“Tarragon, oregano, stones, and pears can be detected in the nuanced scents of the spectacular 2003 Riesling Auslese Niederhauser Hermannshohle. Like the Dellchen, this offering blew me away with its juxtaposition of immense richness and elegant detail. Medium-bodied and satin-textured, it reveals an ample character awash in spices, herbs, poached pears, and super-ripe apples. Notes of red currants, slate, and candied minerals intermingled with linden blossoms can also be discerned in its complex flavor profile. This wine’s lush, tremendous finish appears to last over a minute. Bravo to Helmut Donnhoff for this magical line-up!” 97 Points, Pierre Rovani, Wine Advocate#156

Their wines are concentrated and long-lived, both red and white, and some - like the Gran Reserva “Castillo Ygay” - have become legendary amongst Rioja-lovers. This wine is made from 91% Tempranillo, 6% Garnacha, 3% Mazuelo grapes. The nose is full of red fruits and spices which carry onto the palate, which is balanced and rich.

2004 Castillo Ygay Gran Reserva Rioja Especial Rioja £99

The legendary Ygay property is located at an altitude of 500m in the heart of the Rioja Alta. The 2004 Gran Reserva Especial is a blend of 93% Tempranillo and 7% Mazuelo. After fermentation in stainless steel the wine has been allowed to age in barrique for 29 months, of which nearly a third has been spent in new barrels. To complement this generous intervention is the natural benevolence of the vintage; 2004 is now lauded in the same way as 2001 and 1994.

This is borne out by the quality of the fruit, the pedigree of the aromas and the impressive length. Earth, spice and black cherry dance with dexterity over the palate, and there is great finesse and charm on the finish. Just starting to drink, good for a decade or more.

Priorat

2010 Priorat, Cop de Ma **Priorat** **£33**

Catalunya symbolises all that is exciting about Spain and its wines. This Priorat is stonkingly good value from the super mini-co-op Cop de Ma. Fans of full bodied reds will love this glossy, luscious beauty. Deeply, darkly fruited with plum, blackberry & black cherry, big dark chocolate notes with tangy spice and chewy tannins. The length is big, big, big and develops very well on the palate.

2008 Priorat Seleccion, Cop de Ma **Priorat** **£46**

2006 Ardiles Priorat, Bodegas Merum Priorati **Priorat** **£65**

Ardiles Priorat - This is a Priorat classic. 'Sweet mulberry fruit is surrounded by herbal notes of thyme and fennel and underpinned with a hint of vanilla. Very ripe, fine tannins allow the sweet, juicy fruit to dominate but with the seriousness of leather, tobacco and coffee notes adding complexity.' Although it can be drunk now, this hedonistically styled wine should evolve for 3-5 years and drink well through 2022. Robert Parkers Wine Advocate

Bodega Numanthia is a premium estate in Toro, northwest Spain. Although it is run independently, it is part of the Louis Vuitton Moët Hennessy group. Small plots of ancient vines, between 50 and 120 years old, give winemaker Manuel Louzada the wherewithal to make some of the region's top wines. The Tinta del Toro grape, closely related to Tempranillo, is coveted for its intensity of flavour. These gnarled old vines are extremely hardy and so can withstand fierce summers and freezing winters.

2014 Bush Vines Chenin Blanc, Swartland Winery Swartland £32

2014 Chardonnay, Meerlust Stellenbosch £35

2015 Sauvignon Blanc, Southern Right Hemel-En-Aarde Valley £39

2009 Professor Black Sauvignon Blanc, Warwick Estate Western Cape £39

Lively, with a bright core of grapefruit and lemon peel notes backed by mouthwatering acidity. The long, floral-tinged finish lets it all linger. Very tasty.

2014 Barrel Fermented Sauvignon Blanc, Lismore Greyton £42

2013 Clairette Blanche , The Three Foxes Coastal Region (Wellington) £48

The Three Foxes is a small-scale winery set up in 2004 by three young South African friends. Their focus is making small parcels of outstanding wine (not more than 2000 bottles per vintage) from grapes sourced from the most exciting vineyards around the Cape. This 2013 is 100% Clairette

2013 Gnarly White, The Three Foxes Western Cape / Swartland £48

This blend of 61% Clairette and 39% Semillon is a textured and intensely flavoured wine with funky, saline notes on the finish. Oxidative style aged in old oak for those who are looking for something different. Unfined and unfiltered.

2009 Sandstone White, Ashbourne Walker Bay £48

2008 Sandstone White, Ashbourne Walker Bay £55

This is a blend of 80% Sauvignon Blanc, 15% Chardonnay and 5% Semillon. A real wine of great character, it shows very complex aromatics. Lovely honey, green peas, lychees and petals all emerge on the nose. The palate is rich, with a waxy, weighty character.

2015 Chardonnay, Hamilton Russell Hemel-En-Aarde Valley £49

2012 Chardonnay, Hamilton Russell Hemel-En-Aarde Valley £55

Hamilton-Russell are one of the best producers in South Africa, and this Chardonnay is absolutely stunning. It is pitched closer to Burgundy than the opulent wines of much of the New World, and is proof, if it were needed that South Africa is capable of producing some of the best Chardonnays in the world. An outstanding wine.

2013 Chardonnay, Lismore Greyton £50

2014 `The Agnes` Chardonnay, Crystallum Walker Bay £59

2012 `FMC` Chenin Blanc, Ken Forrester Western Cape £59

2014 `Clay Shales` Chardonnay, Crystallum Walker Bay £79

Red Wine

2012 Limited Release Mourvedre, Swartland Winery Swartland £25

2011 'The Renegade' GSM, Ken Forrester Western Cape £28

This elegant blend of Grenache, Shiraz & Mourvedre displays Old World Style with New World fruit. Hint of Grenache's earthy rustic charm and Shiraz's noble spice with hints of nutmeg and salty black olive on the finish. Balanced with soft integrated tannins.

2013 The General, Boer & Brit Western Cape £29

2013 The Field Marshal, Boer & Brit Western Cape £29

2013 Bush Vines Pinotage, Swartland Winery Swartland £32

2013 Bush Vines Syrah, Swartland Winery Swartland £32

2012 Meerlust Red Stellenbosch £35

2015 Pinotage, Southern Right Hemel-En-Aarde Valley £45

2010 The Gypsy, Shiraz Grenache, Ken Forrester Wines Western Cape £59

2008 Rubicon, Meerlust Stellenbosch £60

2007 Ashbourne Red, Ashbourne Walker Bay £69

A blend of 82% Pinotage, 9% Cabernet Sauvignon and 9% Shiraz. High toned aromas of spicy red berries, dried flowers, mint, marzipan and smoky, nutty and slightly resinous oak. Then aggressively deep in the mouth, with flavours of black raspberry, iron, leather, smoke and earth, perked up with a note of tart cranberry. This boasts terrific freshness and snappy depth of flavour. Finishes firmly tannic and impressively long.

Crystallum, Hemel-En-Aarde Valley, Walker Bay

2014 Peter Max Pinot Noir, Crystallum Hemel en Aarde Valley £59

This Pinot is crafted from fruit sourced from four vineyards, three in the Hemel en Aarde area of Walker Bay and a new vineyard on a high altitude, inland site.

2013 Bona Fide Pinot Noir, Crystallum Hemel en Aarde Valley £75

The 2013 is produced from a single vineyard in the Hemel en Aarde. Darker and more intense than any other Crystallum Pinot. The heavy soils create stress for the vines resulting in a wine of great concentration and flavour while maintaining freshness and elegance typical of the region. Bright cassis and cherry notes, with spice and a slight smokiness lead to a rich and generous palate with supple fruit and full grippy tannins. Integrated and ready to drink but will get better with age - which is why we are holding some back!!

2013 'Cuvee Cinema' Pinot Noir, Crystallum Hemel en Aarde Valley £79

2014 'Cuvee Cinema' Pinot Noir, Crystallum Hemel en Aarde Valley £79

2014 Mabel Pinot Noir, Crystallum Hemel en Aarde Valley £79
